8 provisions for the Bonds as such officer or officers determine to be in the best interest of the
9 City. The City Council may provide for additional or other terms of the Bonds by subsequent
10 resolution.

37 issued directly to beneficial owners of the Bonds rather than to DTC or its nominee but only in

41
42 (ii) The City has advised DTC of its determination not to use DTC as a securities
43 depository; or

46 the Bonds or the City not to continue the book-entry system of transfer.

1
2 Upon occurrence of an event described in (i) or (ii) above, the City shall attempt to locate
3 another qualified securities depository. If the City fails to locate another qualified securities
4 depository to replace DTC, the City Council shall execute and deliver Replacement Bonds
5 substantially in the form set forth in Exhibit A to this Ordinance to the Participants. In the event
6 the City Council, in its discretion, makes the determination noted in (iii) above and has made
7 provisions to notify the beneficial owners of the Bonds by mailing an appropriate notice to DTC,
8 the appropriate officers and agents of the City shall execute and deliver Replacement Bonds
9 substantially in the form set forth in Exhibit A to this Ordinance to any Participants requesting
10 such Replacement Bonds. Principal of and interest on the Replacement Bonds shall be payable
11 as provided in this Ordinance and in the Bonds and Replacement Bonds will be transferable in
12 accordance with the provisions of paragraphs 9 and 10 of this Ordinance and the Bonds.
13

15 authorized and directed to appoint a Bond Registrar and Paying Agent for the Bonds, and as long
16 as the Bonds are in book-entry form, any Authorized Officer may serve as Paying Agent.
17

18 The Authorized Officer may appoint a subsequent registrar and/or one or more paying
19 agents for the Bonds upon giving written notice to the owners of the Bonds specifying the name
20 and location of the principal office of any such registrar or paying agent.

23 to execute appropriate negotiable Bonds and to affix the seal of the City thereto and to deliver
24 the Bonds to the purchaser thereof upon payment of the purchase price. The manner of
25 execution and affixation of the seal may be by facsimile, provided, however, that if the
26 signatures of the Mayor and the Clerk are both by facsimile, the Bonds shall not be valid until
27 signed at the foot thereof by the manual signature of the Bond Registrar.
28

29 8. CUSIP Numbers. The Bonds may have CUSIP identification numbers printed
30 thereon. No such number shall constitute a part of the contract evidenced by the Bond on which
31 it is imprinted and no liability shall attach to the City, or any of its officers or agents by reason of
32 such numbers or any use made of such numbers, including any use by the City and any officer or

41 Registrar may prescribe. All Bonds presented for transfer or exchange shall be accompanied by
42 a written instrument or instruments of transfer or authorization for exchange, in form and
43 substance reasonably satisfactory to the City and the Bond Registrar, duly executed by the
44 registered owner or by his or her duly authorized attorney-in-fact or legal representative. No
45 Bond may be registered to bearer.
46

1 New Bonds delivered upon any transfer or exchange shall be valid obligations of the
2 City, evidencing the same debt as the Bonds surrendered, shall be secured by this Ordinance and
3 entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.
4

5 10. Charges for Exchange or Transfer. No charge shall be made for any exchange or
6 transfer of Bonds, but the City may require payment by the registered owner of any Bond of a
7 sum sufficient to cover any tax or other governmental charge which may be imposed with
8 respect to the transfer or exchange of such Bond.
9

11 officers and agents of the City the Authorized Officer may designate are authorized and directed

16 bonds.” The City Council covenants on behalf of the City that the proceeds from the issuance
17 and sale of the Bonds will be invested and expended as set forth in the City’s Non-Arbitrage
18 Certificate and Tax Covenants relating to such Bonds, to be delivered simultaneously with the

26 Section 15.2-2623 or successor statute.
27

29 City as the Authorized Officer may designate are hereby authorized and directed to prepare,
30 execute, if required, and deliver an appropriate notice of sale, preliminary official statement,
31 official statement, continuing disclosure agreement or such other offering or disclosure
32 documents as may be necessary to expedite the sale of the Bonds. The notice of sale,
33 preliminary official statement, official statement, continuing disclosure agreement or other
34 documents shall be published in such publications and distributed in such manner, including
35 electronically, and at such times as the Chief Financial Officer (acting or otherwise) and the

1 sale of the Bonds and the execution and delivery of any such other documents, agreements and
2 certificates (including applications for tax credits, if applicable) as they may deem necessary or
3 desirable and all actions taken by such officers and agents in connection with the issuance and
4 sale of the Bonds are ratified and confirmed.
