Jackie,

I guess an email from Jim Kapsis to you would be sufficient, right?

Thanks,

Good morning—

Annika Moman has applied as the EPC representative to the Transportation Commission. In order to put her application before City Council, I will need an endorsement from the Environmental Policy Commission (email is fine) noting that Annika has their endorsement to represent the EPC on the Transportation Commission.

Dear Jackie and Lance,

I am delighted to support Samantha Dorsey's candidacy to serve on the George Washington Birthday Celebration Committee, representing the Gadsby's Tavern Museum Society.

Though I have not met Ms. Dorsey personally, I have reviewed her resume in detail. Her background and spirit fit wonderfully with the purposes of GWBCC and I wholeheartedly second Gretchen's recommendation.

Sincerely,

Terry Zerwick

- Request Description: Dear Mayor Euille and Members of the City Council,
I wanted to take a moment to introduce myself, I recently moved into the Potomac Yard area of Alexandria and have applied for the Potomac Yard Design Advisory Committee position representing my new neighborhood. I'm very excited to grow here with the Potomac Yard community and I'd like to do my part to ensure that the community exceeds its potential in a functional and aesthetically stunning way. One of the key factors in which my wife and I made the largest investment of our lives is the community and opportunity ahead, I'd like to ensure that other people see that opportunity and turn to Potomac Yard and Alexandria, as their new home as well. I feel my application demonstrates my experience and relevant work and my drive and passion will be evident. Being able to positively impact my community is something that I take great pride in and I see this as an opportunity to give back and contribute to my neighbors.

I look forward to working with you, thank you for your time and consideration.
