INFORMATION ON PROPOSED ORDINANCE

Title

AN ORDINANCE to amend and reordain Title 9 (LICENSING AND REGULATION), Chapter 12(TAXICABS AND OTHER VEHICLES FOR HIRE) of The Code of the City of Alexandria, Virginia, 1981, as amended.

Summary

In February 2015 the code of Virginia was amended to allow the operation of Transportation Network Companies (TNCs) such as Uber and Lyft. To more closely align the City code with the revised State code, staff is proposing: 1) restructuring of the driver certification process; 2) updating the taximeter requirements; 3) requiring that taxicab companies maintain insurance certification records for their drivers; and, 4) minor editorial revisions to Title 9, Chapter 12 of The Code of the City of Alexandria. These changes were not proposed during the Biennial Taxicab Review because the State had not finalized the ordinance change allowing the operation of TNCs.
