Public hearing and consideration of	Planning Commission	September 1, 2015
a request to operate a restaurant	Hearing:	
	City Council	September 12, 2015
	Hearing:	
Address: 111 North Pitt Street	Zone:	KR/King Street Retail
(parcel address: 411 King Street)		
Applicant: David J. Landry	Small Area Plan:	Old Town

Staff Recommendation: APPROVAL subject to compliance with all applicable codes and ordinances and the recommended permit conditions found in Section III of this report.

Staff Reviewers: Ann Horowitz, ann.horowitz@alexandriava.gov

<u>PLANNING COMMISSION ACTION, SEPTEMBER 1, 2015</u>: By unanimous consent, the Planning Commission <u>recommended approval</u> of the request, subject to compliance with all applicable codes, ordinances and staff recommendations.

<u>Reason</u>: The Planning Commission agreed with the staff analysis.

I. DISCUSSION

The applicant, David J. Landry, requests Special Use Permit approval to operate a restaurant at 111 North Pitt Street.

SITE DESCRIPTION

The subject site is located in a tenant space on the western side of a commercial building known as Tavern Square. The parcel on which the building is located has approximately 251 feet of frontage on King Street, 341 feet of frontage on North Pitt Street, 126 feet of frontage on Cameron Street, and 259 feet of frontage on North Royal Street. The total lot area is approximately 79,713 square feet.

The Tavern Square site contains a mix of retail, personal service, and office uses surrounding an interior courtyard. These

include a real estate office, a bank, two retail establishments, and City of Alexandria offices. An underground, public parking garage with 326 parking spaces is located on the parcel and is accessed from Cameron Street. Gadsby's Tavern shares the block with Tavern Square and is located on the northeast corner. Single family townhomes, an apartment building, a restaurant, and a dry cleaner are located to the north of the parcel. A drug store and florist are sited to the west; the Hotel Monaco, a restaurant, and a real estate office are located to the south; and City Hall, Market Square, and the Market Square Parking Garage are located to the east.

BACKGROUND

Tavern Square was constructed in 1968 as part of the City's urban renewal redevelopment program. Pat Troy's Ireland's Own Restaurant and Pub operated at the subject site following City Council approval of Special Use Permit #99-0081 in September 1999. Administrative approval for SUP#2012-0044 (change of ownership) was granted in October 2012 for the restaurant, renamed as Ireland's Own.

PROPOSAL

The applicant proposes to operate a 184-seat (118 indoors and 66 outdoors), fast-casual restaurant. The proposed business is a franchise of BurgerFi, a corporation founded in 2011 with 71 locations. The franchise specializes in naturally produced burgers and also serves french fries, onion rings, frozen custard, milkshakes, hot dogs, local craft beer, wine, and soft drinks. The business promotes environmental sustainability by using energy efficient appliances, supporting recycling programs, and furnishing its restaurants with tables and chairs made from recycled

plastics and wood. Up to 15 employees would be on-site at any one time, serving approximately 400 customers a day.

Additional elements of the restaurant proposal are:

Hours of Operation: 11 a.m. to 12 midnight, Sunday through Thursday

11 a.m. to 1 a.m., Friday and Saturday

Number of Seats: 118 indoor seats

66 outdoor seats

(46 courtyard seats and 20 seats at restaurant entrance on North

Pitt Street) **184 total seats**

Type of Service: Counter service

Alcohol: On-premises alcohol and wine sales

Live Entertainment: No live entertainment proposed

Delivery: No delivery service will be offered

Noise: Typical restaurant noises expected. Minimal noise is expected

from the outdoor dining areas which are located on private

property and away from residences.

Trash/Litter: Up to 15 bags of trash would be generated each day and would

be stored in a dumpster supplied by property manager. Trash would be collected at least three times a week. Managers would

pick up litter hourly in the front and rear of the property.

PARKING

The subject property is located within the Central Business District (CBD). Pursuant to Section 8-300 (B) of the Zoning Ordinance, restaurants located within the CBD are exempt from ordinary parking requirements. The on-site Tavern Square parking garage, however, is available for public parking.

ZONING/MASTER PLAN DESIGNATION

The subject property is located in the KR/King Street Retail Zone. Section 4-503(W) of the Zoning Ordinance allows a restaurant in the KR zone only with a special use permit. The applicant's request for a restaurant with counter service is not eligible for an administrative change of ownership review because the previous SUP allowed only for a full-service restaurant.

The proposed use is consistent with the Old Town Small Area Plan chapter of the Master Plan which designates the property for commercial use.

II. STAFF ANALYSIS

Staff supports the applicant's request for a restaurant at 111 North Pitt Street. The proposed use would provide an additional fast-casual restaurant option for residents, employees, and visitors in Old Town. It replaces a restaurant that had operated at this location for several years without complaints related to noise, odors, or parking impacts. The BurgerFi proposal also would be consistent with the Old Town Restaurant Policy, which requires an analysis of the restaurant's potential impact concerning parking; alcohol and late night hours; litter; and a diversity of uses on the surrounding area.

Parking

Although parking impacts could result, staff believes this would be unlikely given the availability of several public transportation options (Metro, King Street Trolley, DASH and Metro buses, and Capital Bikeshare) and the proximity of public parking garages at Tavern Square and Market Square. The applicant is required to direct its customers to public garages and inform them of public transportation options in Condition 18 and 21, respectively. Employees must park off-street, as stated in Condition 19, and are encouraged to use public transportation, specified in Condition 20. In addition, reduced demand for customer parking would likely diminish during cold weather months when the outdoor dining areas of the restaurant would not be in use. Nevertheless, the applicant would plan to develop arrangements for customer and employee parking at nearby parking garages.

Litter

Staff does not expect that litter will impact the surrounding area since the applicant would provide trash receptacles throughout the restaurant seating areas. Additionally, the applicant has stated that employees will survey the property on an hourly basis for litter. Nonetheless, the regular pick-up of litter on the premises is included in Condition 22.

Alcohol and Late Night Hours

Although the restaurant proposes to include the on-premises service of beer and wine, its primary marketing emphasis is on the signature food menu. Impacts related to alcohol, therefore, are not expected to negatively affect the surrounding area. The evening hours of operation are generally consistent with other King Street area eating establishments and represent earlier closing hours than permitted for the restaurant previously located at the subject tenant space.

Diversity of Uses

The balance of uses in the King Street corridor would not be altered due to the direct replacement of a restaurant at the subject site.

Staff recommends approval of the Special Use Permit request subject to the conditions contained in Section III of this report.

III. RECOMMENDED CONDITIONS

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following conditions:

- 1. The Special Use Permit shall be granted to the applicant only or to any corporation in which the applicant has a controlling interest. (P&Z)
- 2. The indoor and outdoor hours of operation shall be limited to between 11 a.m. and 12 midnight, Sunday through Thursday and between 11 a.m. and 1 a.m., Friday and Saturday. Meals ordered before 12 midnight, Sunday through Thursday and before 1 a.m., Friday and Saturday may be served, but no new patrons may be admitted, no new alcohol may be served, and all patrons must leave by 1 a.m., Sunday through Thursday and by 2 a.m., Friday and Saturday. (P&Z)
- 3. The maximum number of indoor seats shall be 118. The maximum number of outdoor seats in front of the restaurant shall be 20 and in the rear courtyard shall be 46.
- 4. The applicant shall post the hours of operation at the entrance of the business. (P&Z)
- 5. No delivery of food to customers may operate from the restaurant. (P&Z)
- 6. The design of the outdoor dining areas and all its components must comply with the King Street Outdoor Dining guidelines. Any outdoor seating areas, including umbrellas, shall not include advertising signage. The applicant shall submit illustrations and specifications to the Director of Planning & Zoning for review and approval. (P&Z)
- 7. The outdoor dining area shall be cleaned and washed at the close of each business day that it is in use. (P&Z)
- 8. Live entertainment is not permitted. (P&Z)
- 9. On-premises alcohol service shall be permitted, consistent with a valid Virginia ABC license. Off-premises alcohol sales are not permitted. (P&Z)
- 10. The applicant shall conduct employee training sessions on an ongoing basis, including as part of any employee orientation, to discuss all SUP provisions and requirements and on how to prevent underage sales of alcohol. (P&Z)
- 11. No food, beverages, or other material shall be stored outside. (P&Z)
- 12. Trash and garbage shall be placed in sealed containers which do not allow odors to escape and shall be stored inside or in closed containers which do not allow invasion by animals. No trash or debris shall be allowed to accumulate on site outside of those containers. (P&Z)

- 13. Kitchen equipment, including floor mats, shall not be cleaned outside, nor shall any cooking residue or wash water be washed into the streets, alleys or storm sewers. (T&ES)
- 14. The applicant shall control cooking odors, smoke and any other air pollution from operations at the site and prevent them from leaving the property or becoming a nuisance to neighboring properties, as determined by the Department of Transportation & Environmental Services. (T&ES)
- 15. All waste products including but not limited to organic compounds (solvents and cleaners) shall be disposed of in accordance with all local, state and federal ordinances or regulations. (T&ES)
- 16. Supply deliveries, loading, and unloading activities shall not occur between the hours of 11:00pm and 7:00am. (T&ES)
- 17. All loudspeakers shall be prohibited from the exterior of the building, and no amplified sounds shall be audible at the property line. (T&ES)
- 18. The applicant shall direct patrons to the availability of parking at nearby public garages and shall participate in any organized program to assist with both employee and customer parking for businesses that is formed as a result of suggested parking strategies in the King Street Retail Strategy (Old Town Area Parking Study). (T&ES)
- 19. The applicant shall require its employees who drive to use off-street parking. (T&ES)
- 20. The applicant shall encourage its employees to use public transportation to travel to and from work. Within 60 days of SUP approval, the business shall contact the Transportation Planning Division at 703-746-4686 for information on establishing an employee transportation benefits program. (T&ES)
- 21. The applicant shall provide information about alternative forms of transportation to access the site, including but not limited to printed and electronic business promotional material, posting on the business website, and other similar methods. Contact Local Motion at 703-746-4686 or www.alexandriava.gov/LocalMotion for more information about available resources. (T&ES)
- 22. Litter on the site and on public rights-of-way and spaces adjacent to or within 75 feet of the premises shall be picked up at least twice a day and at the close of business, and more often if necessary, to prevent an unsightly or unsanitary accumulation, on each day that the business is open to the public. (T&ES)
- 23. The Director of Planning and Zoning shall review the Special Use Permit after it has been operational for one year, and shall docket the matter for consideration by the Planning Commission and City Council if (a) there have been documented violations of the permit conditions which were not corrected immediately, constitute repeat violations or which create a direct and immediate adverse zoning impact on the surrounding community; (b)

the Director has received a request from any person to docket the permit for review as the result of a complaint that rises to the level of a violation of the permit conditions, or (c) the Director has determined that there are problems with the operation of the use and that new or revised conditions are needed. (P&Z)

STAFF: Alex Dambach, Land Use Regulatory Services Division Chief,

Department of Planning and Zoning; Ann Horowitz, Urban Planner

Staff Note: In accordance with section 11-506(c) of the zoning ordinance, construction or operation shall be commenced and diligently and substantially pursued within 18 months of the date of granting of a special use permit by City Council or the special use permit shall become void.

IV. CITY DEPARTMENT COMMENTS

Legend: C - code requirement R - recommendation S - suggestion F - finding

Transportation & Environmental Services:

- R-1 Kitchen equipment, including floor mats, shall not be cleaned outside, nor shall any cooking residue or wash water be washed into the streets, alleys or storm sewers. (T&ES)
- R-2 The applicant shall control cooking odors, smoke and any other air pollution from operations at the site and prevent them from leaving the property or becoming a nuisance to neighboring properties, as determined by the Department of Transportation & Environmental Services. (T&ES)
- R-3 All waste products including but not limited to organic compounds (solvents and cleaners) shall be disposed of in accordance with all local, state and federal ordinances or regulations. (T&ES)
- R-4 Supply deliveries, loading, and unloading activities shall not occur between the hours of 11:00pm and 7:00am. (T&ES)
- R-5 All loudspeakers shall be prohibited from the exterior of the building, and no amplified sounds shall be audible at the property line. (T&ES)
- R-6 The applicant shall direct patrons to the availability of parking at nearby public garages and shall participate in any organized program to assist with both employee and customer parking for businesses that is formed as a result of suggested parking strategies in the King Street Retail Strategy (Old Town Area Parking Study). (T&ES)
- R-7 The applicant shall require its employees who drive to use off-street parking. (T&ES)
- R-8 The applicant shall encourage its employees to use public transportation to travel to and from work. Within 60 days of SUP approval, the business shall contact the Transportation Planning Division at 703-746-4686 for information on establishing an employee transportation benefits program. (T&ES)
- R-9 The applicant shall provide information about alternative forms of transportation to access the site, including but not limited to printed and electronic business promotional material, posting on the business website, and other similar methods. Contact Local Motion at 703-746-4686 or www.alexandriava.gov/LocalMotion for more information about available resources.
- R-10 Litter on the site and on public rights-of-way and spaces adjacent to or within 75 feet of the premises shall be picked up at least twice a day and at the close of business, and more

- often if necessary, to prevent an unsightly or unsanitary accumulation, on each day that the business is open to the public. (T&ES)
- C-1 The applicant shall comply with the City of Alexandria's Solid Waste Control, Title 5, Chapter 1, which sets forth the requirements for the recycling of materials (Sec. 5-1-99). In order to comply with this code requirement, the applicant shall provide a completed Recycling Implementation Plan (RIP) Form within 60 days of City Council approval. Contact the City's Recycling Program Coordinator at (703) 746-4410, or via e-mail at commercialrecycling@alexandriava.gov, for information about completing this form. (T&ES)
- C-2 The applicant shall comply with the City of Alexandria's Noise Control Code, Title 11, Chapter 5, which sets the maximum permissible noise level as measured at the property line. (T&ES)

Code Enforcement:

- F-1 The following comments are for site plan review only. Once the applicant has filed for a building permit and additional information has been provided, code requirements will be based upon the building permit plans and the additional information submitted. If there are any questions, the applicant may contact Charles Cooper, Plan Review Division at Charles.cooper@alexandriava.gov or 703-746-4197.
- C-1 Alterations, repairs, additions and changes of occupancy to existing structures shall comply with the provisions of the building Code.
- C-2 Building, trade permits and a plan review along with inspections are required for this proposed restaurant.

Health:

Food Facilities:

- C-1 An Alexandria Health Department Permit is required for all regulated facilities. A permit shall be obtained prior to operation, and is not transferable between one individual, corporation or location to another. Permit application and fee are required.
- C-2 Construction plans shall be submitted to the Health Department located at 4480 King Street and through the Multi-Agency Permit Center. Plans shall be submitted and approved by the Health Department prior to construction. There is a \$200.00 plan review fee payable to the City of Alexandria.
- C-3 Construction plans shall comply with Alexandria City Code, Title 11, Chapter 2, The Food Safety Code of the City of Alexandria. Plans shall include a menu of food items to

be offered for service at the facility and specification sheets for all equipment used in the facility, including the hot water heater.

- C-4 A Food Protection Manager shall be on-duty during all operating hours.
- C-5 The facility shall comply with the Virginia Indoor Clean Air Act and the Code of Alexandria, Title 11, Chapter 10, Smoking Prohibitions.
- C-6 In many cases, original wooden floors, ceilings and wall structures in historical structures may not be suitable for food service facilities. Wood materials shall be finished in a manner that is smooth, durable, easily-cleanable, and non-absorbent.
- C-7 Facilities engaging in the following processes may be required to submit a HACCP plan and/or obtain a variance: Smoking as a form of food preservation; curing/drying food; using food additives to render food not potentially-hazardous; vacuum packaging, cookchill, or sous-vide; operating a molluscan shellfish life-support system; sprouting seeds or beans; and fermenting foods.

Fire:

C-1 Due to the number of occupants including staff, a fire prevention permit shall be applied for and obtained by owner/applicant.

[]	Yes.	Provide proof of current City business license
[]	No.	The agent shall obtain a business license prior to filing application, if required by the City Code.

NARRATIVE DESCRIPTION

Our Story

Specialties

Everything we do, we try some better. From natural Certified Angus burgers to hand-cut fries, frozen custard, signature hot dogs, local craft beer, wine and more:

Better beef: the best money can buy. Hormone free. Antibiotic free. Sourced from one of the best farms in the country. Their natural practices in line with ours. Cattle roam free. Eat grass and are treated humanely. We never waiver from this high standard. This doesn't come easy - certainly not cheap. Truth is there are simpler ways to put burgers on a bun. But, they're not better.

Better to the earth: we're always trying to lessen the footprint we leave in it. Each location is built according to environmentally sustainable best practices and includes earth-friendly elements. Chairs made from upcycled Coca-Cola bottles and tables made from upcycled milk jugs. And, wooden tables from upcycled wood pallets. Even ceiling fans use 66% less energy. Stringent recycling programs for oil, cardboard, bottles and cans are in place, too

History

Established in 2011.

Our story begins with a great burger. The all-natural, Black Angus CEO Burger. Fan favorite. Pride and joy of The Office, an American gastropub nestled in the heart of Delray Beach, FL. And, the inspiration for BURGERFI, launched February, 2011 from dissatisfaction with what was happening in the burger market at the time.

You see, we don't adhere to the practices of industrialized fast food giants. We were started in a gourmet kitchen, by gourmet Chefs. They didn't know fast food, so the back of the house looks less like a burger joint, more like a five-star restaurant. When we needed a sauce, our Chefs didn't call a food supplier. They started chopping. Combining. Cooking.

People

We're better to people: the BURGERFI concept is audacious, especially in philanthropic ventures thanks to our Founder, Mr. John Rosatti. His generosity inspires. Now when we build, we try to build better communities, too. We support local charities and community centers that focus on bettering the lives of underprivileged children. We encourage recycling and upcycling in the hopes others follow suit. As we rapidly grow, we promote from within and offer a range of career opportunities. And, then there's the whole "giving you real food" thing which should be a given, but so often isn't.

Basically everything we do, we try some better.

Oh, about the name, you ask? BURGERFI, short for The Burgerfication of the Nation, is proof there's always a better choice. (We assure you, every choice since has been better.)

Burgerfi SUP

Hi Ann: I have attached a revised floor plan for the restaurant showing 1 ke indoor seats and 66 outdoor seats (46 rear and 20 front). Total seats: 184. Please discard the old plan and revise the application to reflect 184 total. I think that should complete the application. If you need anything else, please let me know. 703-894-8316

Thanks, Dave.

SITE PLAN - BCALE: 1,84" = 1"C"

70 LOCATIONS AND COUNTING...

North Carolina South Carolina Massachusetts Pennsylvania Connecticut New Jersey New York Tennessee California Maryland Michigan Colorado Alabama Arizona Georgia Alaska Illinois Florida Kansas

TYPICAL BURGERFI FLOOR PLAN

BUILD-OUT PROCESS TO ENSURE A TIMELY STORE OPENING. OUR DESIGN & CONSTRUCTION TEAM COORDINATES THE

Our proven system expedites the process of design, permitting, and construction.

We provide:

- Full franchisee support.
- Coordination with landlord for smooth delivery.
- On-site visits to ensure quality control and brand conformity.
- Full punch-out, trouble-shooting and problem-solving assistance.

TENANT IMPROVEMENTS SITE SELECTION AND

SOME OF THE MOST IMPORTANT DECISIONS IN OPENING A SUCCESSFUL BURGERFI RESTAURANT INCLUDE THE ANALYSIS, EVALUATION AND DETERMINATION OF THE RIGHT MARKET AREA AND SELECTION OF THE MOST VIABLE SITE IN THAT MARKET.

Recommended Site Requirements

Demographics

- Freestanding or End Cap with the ability to obtain a beer and wine license.
- Interior Floor Space: 2,800 3,200 sq. ft. Outdoor Dining Area: approx. 500 sq. ft.
- Kitchen Area: Approximately 1,200 sq. ft.

Frontage: Minimum store front of 30 ft.

- Superior level of residential density within 1, 2, & 3 miles of the location.
- Daytime Population: Minimum of 30,000 or more people within a 2 mile radius.
- Average Household Income: Minimum of \$50,000.

Tenant Improvements

- BurgerFi shell or equivalent T.I. allowance.
- BurgerFi restaurants add value and create a destination type venue.

Real Cane Sugar Sodas – BOYLAN AND COCA-COLA, FANTA ORANGE FRESH-SQUEEZED LEMONADE + STRAWBERRY LEMONADE if not better. So our craft brewers and winemakers pour heart and soul What accompanies some of the greatest food ever must be as good, CRAFT BEER + WINE OURDR into what they do.

OUR FROZEN CUSTARDS

Thanks to a churning process that eliminates excess air, our frozen custard is richer than ice cream.

Of course,
BURGERFI
uses only the
finest eggs,
sugar, cream and
toppings. Oh,
yeah. It follows
the meal....
better yet!

OUR DOGS

counterpart steals the show. Not here. We've taken ballpark and street The dog, a burger's perpetual grill mate, often chars in back while its cart tradition and made it better by adding more good stuff...flavors, variety and hearty, uncomplicated toppings.

It's more than just burgers. OUR MENU

Hand-cutting potatoes, soaking them to remove starch and frying twice is the only way to cook a fry. As for onions, only the finest rings are selected and double battered to a golden brown. Both, never frozen. And with our toppings...even better. WHEN WE BUILD, WE TRY TO BUILD BETTER COMMUNITIES.

Community upreach to local schools, charities and sports teams, Gainful employment opportunities for the local economy.

Competitive benefits package and health insurance options.

PEOPLE

Each location is built according to environmentally sustainable best practices and includes Earth-friendly elements. Stringent recycling programs for oil, cardboard, bottles and cans are in place, too. We are always trying to minimize the footprint we leave on the Earth.

OUR BEEF IS BEEF, ODD TO SAY THESE DAYS, BUT NECESSARY,

100% American Angus.

better to the sammars

No Flormones. No Antibiotics.

Free range cattle.

Vegeterian fed.

Americans Want High Quality Food Choices

Clean ingredients.

Natural, hormone-free, no antibiotics, no preservatives.

Only fresh 100% certified Angus Beef. Grass fed. Raised in a pasture.

The Industry Leader in Better Burgers

Since 2007, the fast casual better burger segment has grown at a pace of roughly 6% each year.

BURGERFI is the FASTEST GROWING BRAND in that category. (Nation's Restaurant News, July 2014)

BUNGER F

- Modern twist to great-tasting food made from fresh ingredients.
- Protecting and preserving the environment is one of the core values of BurgerFi.
- Our Angus beef is never ever given hormones or antibiotics instead it is humanely raised and sustainably farmed.
- Fun, upcycled, appealing, family dining experience using Coca Cola chairs, B A Fans, parallam tables, Dyson hand dryers and more.
- Recycling and environmentally sustainable practices and elements are utilized (cooking oil, cardboard, plastic, glass).

Local sourcing of available fresh produce (lettuce, tomatoes, potatoes, zucchini, strawberries, jalapenos, herbs, etc.) craft beers and wines.

- Community outreach to local schools, charities and sports teams.
- Gainful employment opportunities for the local economy.
- Potential applications for solar/alternative power sources.
