Attachments: Amendment Eisenhower West Victory Center Redevelopment District 9.11.15.pdf

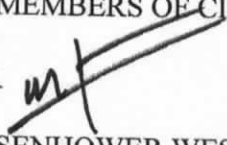

Attached reflects a slight technical change to the original proposed ordinance regarding the Eisenhower West Victory Center Redevelopment District, which is set for public hearing on Saturday, item #17.

City of Alexandria, Virginia

MEMORANDUM

DATE: SEPTEMBER 11, 2015

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: MARK B. JINKS, CITY MANAGER 

SUBJECT: MINOR AMENDMENT TO THE EISENHOWER WEST VICTORY CENTER REDEVELOPMENT DISTRICT FOR THE PURPOSES OF INCENTING THE TRANSPORTATION SECURITY ADMINISTRATION TO MOVE TO ALEXANDRIA

In order to more clearly calculate the proposed partial real estate tax abatement, it is important to have very clear delineation of the areas subject to the tax relief, as well as the areas not subject to any tax relief. The prior graphic has been revised (Attachment 1) to more clearly define the area subject to the partial real estate tax abatement (i.e., the shaded areas of the graphic) than did the original graphic attached to the September 2nd docket memorandum. It also more precisely calculated the area subject to the partial real estate tax abatement as 8.58 acres which is slightly more than the 8.56 acres listed in the original proposed ordinance. As result the proposed ordinance (Attachment 2) has been revised to reflect this change of 0.02 acre increase.

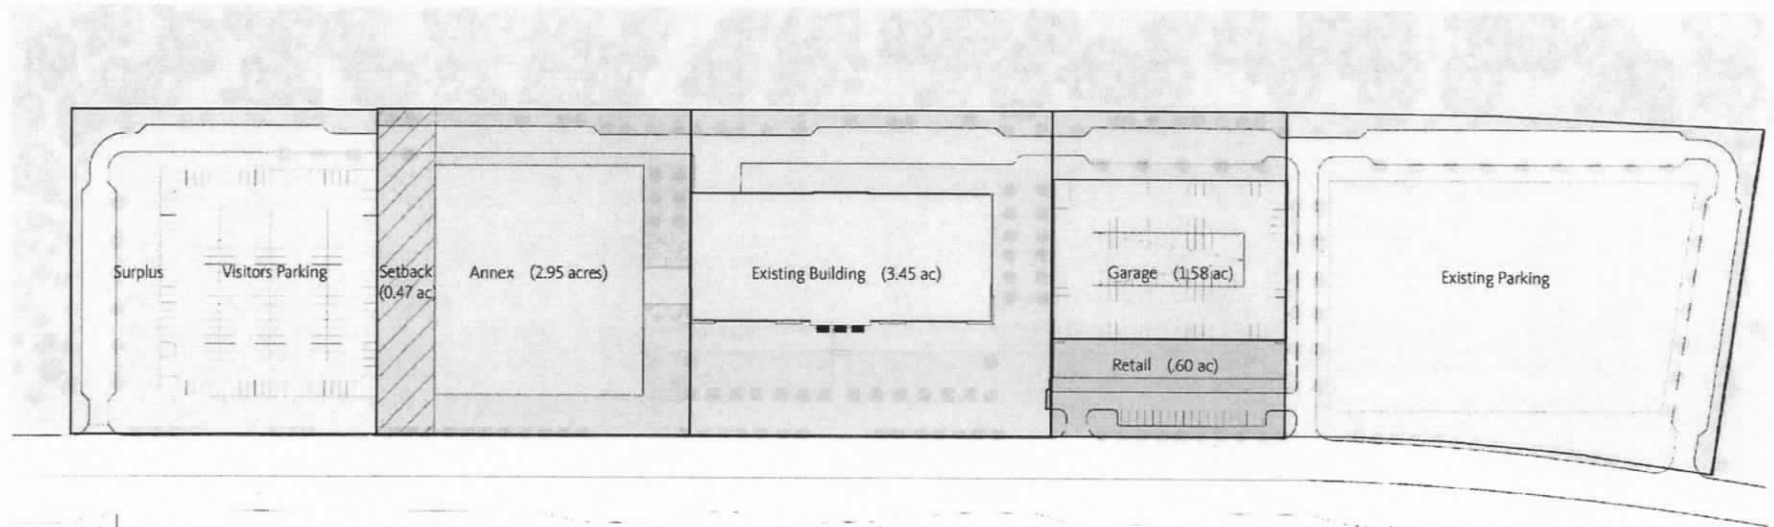

ATTACHMENT:

Attachment 1 – Revised Proposed Site Plan for TSA
Attachment 2 – Revised Ordinance

STAFF:

Mark B. Jinks, City Manager
Stephanie Landrum, President and CEO, AEDP
Kendel Taylor, Director of Finance
Michael Stewart, Deputy Director, Department of Finance
Chris Spera, Deputy City Attorney

Site Plan for TSA

Existing Building	(3.45 acres)
Annex	(2.95 acres)
Garage	(1.58 acres)
Retail	(.60 acres)
Surplus [Surplus land, visitors & existing parking]	(7.43 acres)
Setbacks	
Total: 16.01 acres	

ORDINANCE NO. _____

AN ORDINANCE to amend and reordain Title 3 (FINANCE, TAXATION AND PROCUREMENT), Chapter 2 (TAXATION), Article M (LEVY AND COLLECTION OF PROPERTY TAXES), Division 1 (REAL ESTATE) of The Code of the City of Alexandria, Virginia, 1981, as amended.

THE CITY COUNCIL OF ALEXANDRIA HEREBY ORDAINS:

Section 1. That Title 3, Chapter 2, Article M, Division 1 of the Code of the City of Alexandria, Virginia, 1981, as amended, be, and the same hereby is, amended and reordained, with the addition of a new section 3-2-192, to read as follows:

(All new language.)

Sec. 3-2-192 – Eisenhower West Victory Center Redevelopment District.

- (a) The Eisenhower West Victory Center Redevelopment District (the "district") is hereby created at 5001 Eisenhower Avenue for the 8.58 acre area of current City tax map 068.04-01-05, as subsequently subdivided to create the property leased to the Transportation Security Administration ("TSA") (the "Property").
- (b) The effective date of the start of the partial property tax exemption in the district, as set forth in this article is the first January 1 after the first certificate of occupancy for TSA is granted for the office building and other improvements to be constructed and renovated in the District and leased by the federal government's General Services Administration for occupancy by TSA. In the event that the performance standard described in clause (f) below is achieved in the first year following the issuance of the first certificate of occupancy, the abatement shall apply to the entire calendar year as though the performance standard was achieved on January 1 of such year.
- (c) The Property tax exemption in the district shall be in effect for a 15-year period from the effective date of the start of the partial property tax exemption until December 31 of the fifteenth year of the property tax exemption. The property tax exemption shall partially exempt real estate taxes due during the 15 years of the initial TSA lease occupancy as defined herein. The partial exemption shall apply only to improvements constructed in the district including but not limited to the office building occupied by TSA, the above-grade parking garage and retail spaces. The annual assessed value of the land component building component existing as of January 1, 2015 in the district, reflecting any increases or decreases in assessed value of said land and existing building component, shall remain fully taxable. The annual assessed value of the land component shall also reflect that of a finished developed lot with existing improvements.
- (d) Real estate taxes of up to an annual maximum of \$1,557,290 will be exempt on the improvements constructed in the district during the 15 years of the initial TSA lease of the property.

- 1 (e) The real estate assessments for all land and buildings within the district shall be
2 determined by the director of real estate assessments, and shall be established at fair
3 full market value using the same principles, procedures, and timing of real estate
4 assessments as that established for other similar taxable real estate in the city. The
5 owner of land and improvements within the district shall have the same rights and
6 limitations of appeal of the city's annual real estate assessment as that applicable to
7 other taxable real estate in the city.
- 8 (f) The tax exemption detailed in this article shall be dependent on the TSA fully meeting
9 a required performance standard as of the time period set forth in subsection 3-2-
10 192(f)(1) below.
- 11 (1) The TSA required performance standard shall be defined as:
- 12 (i) TSA leasing, directly or indirectly through the federal General Services
13 Administration, and achieving an occupancy level of at least 80% percent of
14 the net leasable floor area of the office building in the district. If the TSA does
15 not lease its portion of the building and achieve the minimum 80% percent
16 occupancy level of this office building within one year from the issuance of
17 the last certificate of occupancy with respect to TSA's portion of the building,
18 then no tax exemption shall apply, with the city then fully taxing all land,
19 office building and other improvements in the district, and
- 20 (ii) the owner of 5001 Eisenhower Avenue certifying to the City that at least
21 \$125,000,000 has been spent constructing and outfitting the Property leased to
22 TSA.
- 23 (2) For the purposes of determining whether or not the TSA 80% percent occupancy
24 threshold has been met, space leased for or by TSA not able to be occupied by
25 TSA due to incidents such as fires, earthquakes, hurricanes, or other acts of god
26 shall be considered leased and occupied space by TSA in the calculation of the
27 80% percent occupancy threshold.
- 28 (3) Within 60 days of TSA meeting the performance standard as defined in subsection
29 3-2-192(f)(1), the owner of 5001 Eisenhower Avenue is responsible for notifying
30 the city's director of finance of the occupancy level by TSA, as well as the amount
31 expended constructing and outfitting the Property leased to TSA on a form
32 designated by the director of finance. Upon receipt and review of this occupancy
33 and cost information, the city director of finance shall determine if this
34 performance standard has been met, and the city manager shall notify the owner in
35 writing of the city's determination of performance standard satisfaction. If no
36 decision or response from the city is received within 30 days after the submission
37 by the owner, then the required performance standard shall be deemed to have
38 been achieved, provided TSA met the 80% percent occupancy threshold as
39 certified by the owner.
- 40 (g) The partial exemption of real property in the district shall be considered a covenant
41 that shall run with the land record of real estate parcel TBD Within 90 days of the
42 passage of this ordinance, the city shall record a covenant in the land records of the
43 city to such effect which shall reflect the partial property tax exemption as defined in
44 this article. These terms, conditions and limitations shall not be revoked during the 15
45 year period of the partial property tax exemption and shall control the real estate taxes
46 with respect to this property irrespective of any change in the applicable city code.
