Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 80942.

**Request Details:**

- Name: Bill Kehoe
- Approximate Address: No Address Specified
- Phone Number: 703-751-6416
- Email: [kehoefd@aol.com](mailto:kehoefd@aol.com)
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: The debate surrounding the firefighter-paramedic situation in the City is one of the constant change we endure. This one is no different. The new program the Fire Chief is implementing will serve the City well. The argument we will lose dedicated paramedics on our ambulances, is unjustified because in the long run we will have two firefighter-paramedics on each ambulance as well as on all fire engines/trucks. This will take time to evolve, but it will happen. The fire department is not jeopardizing our (the citizens) safety to implement this new program.
- Expected Response Date: Friday, September 18
