Subject: application to ARHA Board

Good morning—

I have received your application to the Alexandria Redevelopment and Housing Authority.

The section on place of birth was left blank. Would you kindly email me your place of birth, so that I may include it on the application?

City Council will consider this appointment on September 8, and I will notify you by mail after that of Council's decision.

Please let me know if you have any questions.

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 80657.

Request Details:

- Name: Carter Flemming
- Approximate Address: No Address Specified
- Phone Number: 7034619099
- Email: carterflemming@gmail.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: I would like each of you to consider voting for John Keegan, Peter Kleeblatt, or Michelle Millben for the vacant seats on the ARHA Board. As you know, Michelle served briefly on the board before until her work responsibilities made it impossible for her to continue. She was an involved and committed board member during the year she served. Both Mr. Keegan and Mr. Kleeblatt possess real estate skills that would be quite valuable to our board as we enter into the negotiation process with potential developer partners for our sites to be redeveloped. While we have some board members with this experience already on our board, I think the more knowledge we have in this area, the better our process will be over the course of the next few years. I am pleased to see so many interested people apply for the ARHA vacancies this time, but I do think at this important time in our redevelopment process, we need to look for people with specific development skills to bolster our capacity. Thank you for considering these individuals for the ARHA Board.
