- Service Type: City Clerk and Clerk of Council
- Request Description: August 17, 2015

To Mayor Euille, the Members of the Alexandria City Council, and to Whomever Else It May Concern:

I write to you to this morning to regretfully inform you that I will be moving out of the City of Alexandria, and will therefore not be able to continue as the Alexandria Association's representative on the City's Archaeological Commission. Though it is sad to withdraw from a position that has meant very much to me, the catalyst for this departure is nonetheless due to an exciting reason; I will begin my studies at the William & Mary School of Law this fall.

I would like to sincerely thank you for the trust you placed in me to contribute to our City's historic-focused oversight and ongoings. It has been a great source of joy to learn and become invested in the preservation initiatives that allow all residents and visitors to enjoy the bountiful, timeless resources we possess. I also thank you for the support and encouragement you have offered to the Office of Historic Alexandria with many exciting developments and projects arising as a result.

Please do not hesitate to contact me via E-mail (k.mccandlish35@gmail.com) should you have any questions regarding this request to be formally released from my position. I have already communicated this information to Ms. Karen Paul, President of the Alexandria Association, and she has mentioned that a prospective replacement has been pegged.

Thank you very much, and I wish all of you a wonderful end to the summer and continued success in navigating our City's governmental and administrative challenges,

Kevin B. McCandlish
