Jackie,

Sorry I meant to let you know. The Commission on Aging at the September 10, 2015 meeting, voted to continue to have Bill Harris as our liaison to the Alexandria Housing Affordability Advisory Committee.

Thanks for the reminder!

Warm regards,
Carol Downs
Chair, Commission on Aging

Good afternoon—

Bill Harris has reapplied for his position on the Alexandria Housing Affordability Advisory Committee, as the representative from the Commission on Aging. In order to put his application before City Council, I will need an endorsement from the Commission on Aging noting that Mr. Harris is their appointee to the Committee. (Email is fine for this.)

Thank you, and please let me know if you have any questions.

Jackie
