00 8 8 00	Existing elevations must be scaled and include dimensions.  Proposed elevations must be scaled and include dimensions. Include the relations adjacent structures in plan and elevations.  Materials and colors to be used must be specified and delineated on the drawings samples may be provided or required.  Manufacturer's specifications for materials to include, but not limited to: roofing, sid doors, lighting, fencing, HVAC equipment and walls.  For development site plan projects, a model showing mass relationships to adjace and structures.	Actual
illum	ns & Awnings: One sign per building under one square foot does not require BAR approval inated. All other signs including window signs require BAR approval. Check N/A if an item in this apply to your project.	
	Linear feet of building: Front: Secondary front (if comer lot): Square feet of existing signs to remain: Photograph of building showing existing conditions.  Dimensioned drawings of proposed sign identifying materials, color, lettering style is Location of sign (show exact location on building including the height above sideway Means of attachment (drawing or manufacturer's cut sheet of bracket if applicable)  Description of lighting (if applicable). Include manufacturer's cut sheet for any new fixtures and Information detailing how it will be attached to the building's facade.	alk).
Alterations: Check N/A if an item in this section does not apply to your project.		
4	Clear and labeled photographs of the site, especially the area being impacted by the all sides of the building and any pertinent details.  Manufacturer's specifications for materials to include, but not limited to: roofing, side doors, lighting, fencing, HVAC equipment and walls.  Drawings accurately representing the changes to the proposed structure, including overall dimensions. Drawings must be to scale.  An official survey plat showing the proposed locations of HVAC units, fences, and survey the proposed locations of HVAC units, fences, and survey appearance.	ling, windows, materials and

ALK	APPLICATIONS: Please read and check that you have read and understand the following items:
ď	I have submitted a filing fee with this application. (Checks should be made payable to the City of Alexandria. Please contact staff for assistance in determining the appropriate fee.)
<b>d</b>	I understand the notice requirements and will return a copy of the three respective notice forms to BAR staff at least five days prior to the hearing. If I am unsure to whom I should send notice I will contact Planning and Zoning staff for assistance in identifying adjacent parcels.
<b>d</b> /	I, the applicant, or an authorized representative will be present at the public hearing.
Ø	I understand that any revisions to this initial application submission (including applications deferred for restudy) must be accompanied by the BAR Supplemental form and 3 sets of revised materials.

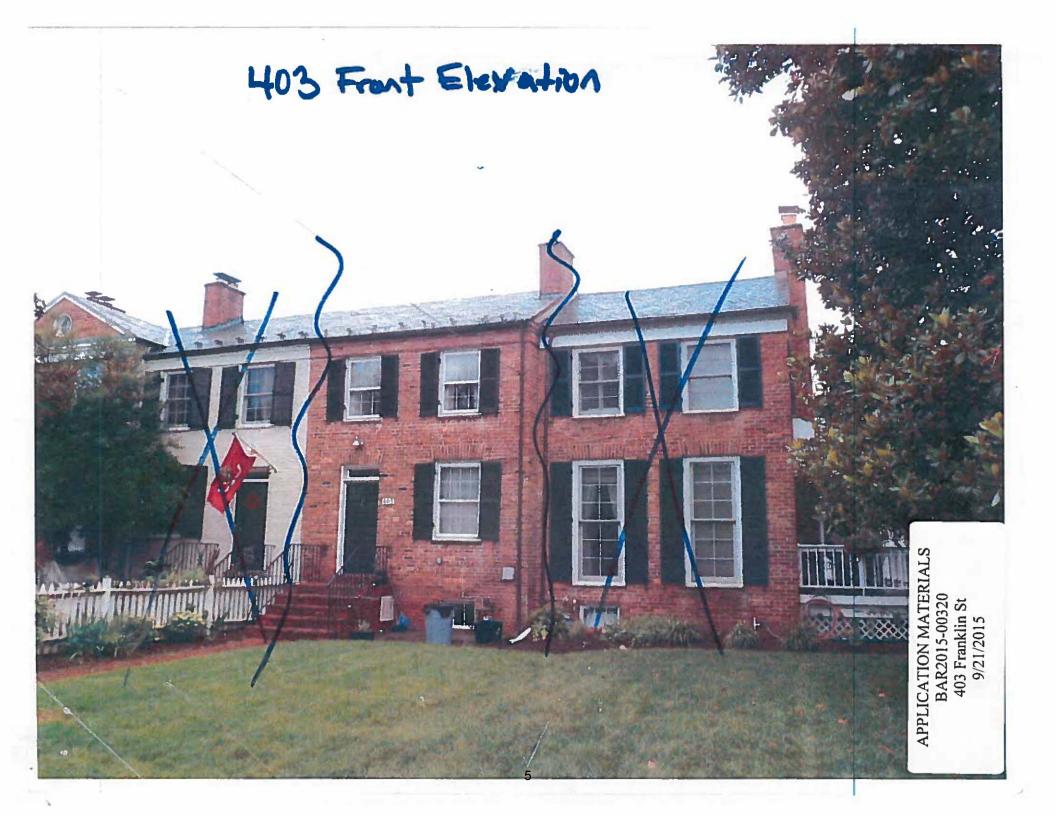

The undersigned hereby attests that all of the information herein provided including the site plan, building elevations, prospective drawings of the project, and written descriptive information are true, correct and accurate. The undersigned further understands that, should such information be found incorrect, any action taken by the Board based on such information may be invalidated. The undersigned also hereby grants the City of Alexandria permission to post placard notice as required by Article XI, Division A, Section 11-301(B) of the 1992 Alexandria City Zoning Ordinance, on the property which is the subject of this application. The undersigned also hereby authorizes the City staff and members of the BAR to inspect this site as necessary in the course of research and evaluating the application. The applicant, if other than the property owner, also attests that he/she has obtained permission from the property owner to make this application.
