DESCRIPTION OF PROPOSED WORK: *Please describe the proposed work in detail (Additional pages may be attached).*

Revision of previously approved BAR application: Applicant is requesting approval for changes to previously approved design. Applicant is requesting a 2nd story covered porch over 1st story addition and will be retaining all of the portion of existing North chimney wall previously approved for demolition.

SUBMITTAL REQUIREMENTS:

Items listed below comprise the **minimum supporting materials** for BAR applications. Staff may request additional information during application review. Please refer to the relevant section of the *Design Guidelines* for further information on appropriate treatments.

Applicants must use the checklist below to ensure the application is complete. Include all information and material that are necessary to thoroughly describe the project. Incomplete applications will delay the docketing of the application for review. Pre-application meetings are required for all proposed additions. All applicants are encouraged to meet with staff prior to submission of a completed application.

Electronic copies of submission materials should be submitted whenever possible.

Demolition/Encapsulation : *All applicants requesting 25 square feet or more of demolition/encapsulation must complete this section. Check N/A if an item in this section does not apply to your project.*

- N/A
- ☐ ☐ Survey plat showing the extent of the proposed demolition/encapsulation.
- ☐ ☐ Existing elevation drawings clearly showing all elements proposed for demolition/encapsulation.
- ☐ ☐ Clear and labeled photographs of all elevations of the building if the entire structure is proposed to be demolished.
- ☐ ☐ Description of the reason for demolition/encapsulation.
- ☐ ☐ Description of the alternatives to demolition/encapsulation and why such alternatives are not considered feasible.

* Note: There are no alternatives to demolition/encapsulation

Additions & New Construction: Drawings must be to scale and should not exceed 11" x 17" unless approved by staff. All plans must be folded and collated into 12 complete 8 1/2" x 11" sets. Additional copies may be requested by staff for large-scale development projects or projects fronting Washington Street. Check N/A if an item in this section does not apply to your project.

N/A

- ☐ ☐ Scaled survey plat showing dimensions of lot and location of existing building and other structures on the lot, location of proposed structure or addition, dimensions of existing structure(s), proposed addition or new construction, and all exterior, ground and roof mounted equipment.
- ☐ ☐ FAR & Open Space calculation form.
- ☐ ☐ Clear and labeled photographs of the site, surrounding properties and existing structures, if applicable.
- ☐ ☐ Existing elevations must be scaled and include dimensions.
- ☐ ☐ Proposed elevations must be scaled and include dimensions. Include the relationship to adjacent structures in plan and elevations.
- ☐ ☐ Materials and colors to be used must be specified and delineated on the drawings. Actual samples may be provided or required.
- ☐ ☐ Manufacturer's specifications for materials to include, but not limited to: roofing, siding, windows, doors, lighting, fencing, HVAC equipment and walls.
- ☐ ☐ For development site plan projects, a model showing mass relationships to adjacent properties and structures.

Signs & Awnings: One sign per building under one square foot does not require BAR approval unless illuminated. All other signs including window signs require BAR approval. Check N/A if an item in this section does not apply to your project.

N/A

- ☐ ☒ Linear feet of building: Front: _____ Secondary front (if corner lot): _____
- ☐ ☒ Square feet of existing signs to remain: _____
- ☐ ☒ Photograph of building showing existing conditions.
- ☐ ☒ Dimensioned drawings of proposed sign identifying materials, color, lettering style and text.
- ☐ ☒ Location of sign (show exact location on building including the height above sidewalk).
- ☐ ☒ Means of attachment (drawing or manufacturer's cut sheet of bracket if applicable).
- ☐ ☒ Description of lighting (if applicable). Include manufacturer's cut sheet for any new lighting fixtures and information detailing how it will be attached to the building's facade.

Alterations: Check N/A if an item in this section does not apply to your project.

N/A

- ☒ ☐ Clear and labeled photographs of the site, especially the area being impacted by the alterations, all sides of the building and any pertinent details.
- ☐ ☐ Manufacturer's specifications for materials to include, but not limited to: roofing, siding, windows, doors, lighting, fencing, HVAC equipment and walls.
- ☒ ☐ Drawings accurately representing the changes to the proposed structure, including materials and overall dimensions. Drawings must be to scale.
- ☐ ☐ An official survey plat showing the proposed locations of HVAC units, fences, and sheds.
- ☐ ☐ Historic elevations or photographs should accompany any request to return a structure to an earlier appearance.

ALL APPLICATIONS: *Please read and check that you have read and understand the following items:*

- ☒ I have submitted a filing fee with this application. (Checks should be made payable to the City of Alexandria. Please contact staff for assistance in determining the appropriate fee.)
- ☒ I understand the notice requirements and will return a copy of the three respective notice forms to BAR staff at least five days prior to the hearing. If I am unsure to whom I should send notice I will contact Planning and Zoning staff for assistance in identifying adjacent parcels.
- ☒ I, the applicant, or an authorized representative will be present at the public hearing.
- ☒ I understand that any revisions to this initial application submission (including applications deferred for restudy) must be accompanied by the BAR Supplemental form and 12 sets of revised materials.

The undersigned hereby attests that all of the information herein provided including the site plan, building elevations, prospective drawings of the project, and written descriptive information are true, correct and accurate. The undersigned further understands that, should such information be found incorrect, any action taken by the Board based on such information may be invalidated. The undersigned also hereby grants the City of Alexandria permission to post placard notice as required by Article XI, Division A, Section 11-301(B) of the 1992 Alexandria City Zoning Ordinance, on the property which is the subject of this application. The undersigned also hereby authorizes the City staff and members of the BAR to inspect this site as necessary in the course of research and evaluating the application. The applicant, if other than the property owner, also attests that he/she has obtained permission from the property owner to make this application.

Mr. and Mrs. R. Latane Montague, III
207 Prince Street
Alexandria, Virginia 22314

Dear Mr. and Mrs. Montague:

The Historic Alexandria Foundation, a co-holder of the easement on your house at 207 Prince Street, Alexandria, approves the revised plans for your kitchen addition.

We are pleased that you have preserved the fireplace and most of the north facing wall. The removal of the (20th Century) staircase does provide for the needed enlargement of the kitchen footprint without harming the early fireplace.

The design of the second story porch is duly differentiated from the existing porch.

As you have received the conditions set forth in the Virginia Department of Historic Resources guidelines, HAF concurs in these items.

We wish you well in the enjoyment of your expanded kitchen!

With kind regards,

Morgan D. Delaney, President

Leslie S. Ariail,

Chair, Easement Committee

RE: Revised kitchen addition
George William Fairfax House, 207 Prince Street, City of Alexandria
DHR File No. 100-0022_ep

Dear Mr. and Mrs. Montague:

Thank you for inviting Department of Historic Resources (DHR) easement staff to visit your property, the George William Fairfax House in Alexandria. The visit on September 9, 2015 was helpful in clarifying the revisions to the kitchen addition design, which are reflected in drawings by Dimond Adams Design Architecture, dated 08/03/15. As you are aware, DHR and the Historic Alexandria Foundation, both represented at the site visit, are together responsible for administering the historic preservation easement on the property. The easement permits alterations to the dwelling in order to allow for the continued viability of the property, provided that the historic character of the property is maintained.

The current proposal modifies the design of the kitchen addition based upon information and existing conditions discovered during the selective demolition phase of the construction work. An independent physical investigation conducted recently by Dennis J. Pogue, PhD, RPA confirmed that the existing kitchen stair is highly evolved, both in specific location and design. The revised design includes the removal of this stair. Additionally, the discovery of both a cistern and icehouse within the project boundaries also affected the intended design. Importantly, the revision includes the retention of the entire north wall fireplace. Finally, the proposed rear porch design returned to a prior version with a covered second story; the details of which are slightly differentiated from the existing adjacent porch.

After careful review of the revised scope of work, our office concluded that, in general, the proposal meets the Secretary of the Interior's *Standards for Rehabilitation (Standards)*, and the easement provisions, and is, therefore, approved, provided the following conditions are met:

- Please retain a legible trace of the kitchen stair illustrating its current location within the new kitchen ceiling. The mortise joint should also remain in place.
- The new door opening at the southeast corner of the kitchen should be slightly differentiated from the existing openings (i.e. simpler trim).
- Please retain an indication of the existing opening at the southwest corner of the kitchen (i.e. recess the infill slightly) such that the existence of a prior opening in this location is legible.
- Retain as much of the existing wall east of the fireplace as possible.

This approval is valid for one year from the date of this letter. If the work is not initiated within a year's time, please contact me for an extension of this approval. Thank you for your stewardship of this property. Please let me know if you have any questions or concerns.

Sincerely,

Megan Melinat
