- Request Description: Honorable Mayor and Members of Council

I have submitted an application for appointment as a member of the Alexandria Beautification Commission. Request your consideration and support for my application to the Commission.

I have been a resident of the City of Alexandria since 1982 and a homeowner in the Clover neighborhood since 1987. I am an avid gardener and have a strong interest in sustainable landscape design. My property was recently selected by the Beautification Commission as one of the 2015 award winners.

Alexandria is my home, and I want to contribute to promoting and maintaining the diverse beauty and fabric of the City. I believe my academic background in natural resource planning and management as well as my professional experience with the DoD in preparing policy and guidance to ensure environmental compliance and in fostering environmental sustainability programs at Army installations will be of value to the Commission's initiatives.

I respectfully request your support of my appointment.

Applicant for Beautification Commission

Good Afternoon Mayor William D. Euille & Members of City Council,

My name is Patrick DeLeonibus and I am looking to join the Beautification Commission. I feel that my academic degree in Landscape Architecture will be a benefit to the commission. I no longer practice Landscape Architecture as I am in Residential Sales in Real Estate. Since recently purchasing a place in Old Town I felt it is time to give back to the community that I have been working in for the last two years. I am very involved with community service organizations and this should be a great fit for me given my background and passion for design. I make myself readily accessible so feel free to reach out to me anytime. I hope you consider my application to join the commission.

Sincerely,

A handwritten signature in black ink, appearing to read 'Patrick DeLeonibus', with a long horizontal line extending to the right.
