4. **How do I determine the abutting properties?** Consult the tax maps in the Department of Planning and Zoning to determine the correct map, block and lot numbers of the abutting properties. Use that information to fill out the attached **Property Owners List** form.

5. **How do I find the name and address of the owners of those properties?** Visit our City website at www.alexandriava.gov and follow the link for Real Estate and perform a Real Estate Assessments Search for each property. You may also contact the Office of Real Estate Assessments on the second floor of City Hall, 301 King Street, Room 2600. For each search, look up the name and mailing address of the property owner for each parcel you have listed on the Property Owners List. Fill in that information on the same form under the *Adjoining Property Owner's Name and Mailing Address* and *Tax Assessment Map Number* sections.

6. **What do I do in the case of a condominium property?** Legal notice to an abutting property that is in condominium ownership may be provided in only one of two ways:

- By sending notice to each and every condominium unit owner; or,
- By sending notice to the president of the condominium association.

In order to find the name and mailing address of the unit owners, use the records of the Office of Real Estate Assessments, as you would for any other owner of property. These records will provide the official name and address of each property owner. You may consult the City's Department of Citizen Assistance for the name and address of the association president, but you should also call the condominium association to confirm the information.

7. **How must the notice be mailed?** A copy of the **Notice of Public Hearing** form must be mailed to each property owner listed on the **Property Owners List** (plus the owner of the property, if the applicant is not the owner). The notices must be sent by first-class U.S. mail. Hand-delivered notices are not sufficient.

8. **When must the notice be sent?** The notices must be sent at least 10 days but not more than 30 days prior to the public hearing. Consult the BAR schedule for notification deadline dates.

9. **What documents must be submitted to show that I sent notice correctly?** After you have sent the notice letters, the following documents must be submitted to the Department of Planning and Zoning:

- The attached **Certification of Notice** form. This form tells the City that you have sent the appropriate form to the correct list of owners and that you have sent it at the right time. You must sign this form.
- A copy of the **Notice of Public Hearing** form that you sent to the property owners.
- A copy of the **Property Owners List**, filled in with the names and mailing addresses of the abutting properties to whom you have sent notice.

10. **When must the above documents be submitted?** The above documents must be submitted to the Department of Planning and Zoning at least five days prior to the hearing date.

11. **If my case is deferred do I need to send notice again?** It is likely that you will have to notify abutting property owners of the new hearing date, which will be determined after BAR receives revised information.

If you fail to send correct legal notice as described above, the application will not be heard as scheduled and will be deferred to the next scheduled hearing date or until proper notice is sent. If you have any questions about the notice process, contact BAR staff at (703) 746-3833 for assistance.
