Bright Masonry, Inc. and the Clements at 708 Wolfe Street, Alexandria, VA 22314 seek approval to demolish the current rear, West-facing masonry wall that currently poses a safety hazard and to replace it with a wooden stockade fence that already exists on site. Bright Masonry and the Clements propose to replace the entire west-facing masonry wall where it meets the Clements current wooden stockade fence between both of their properties (708 & 710 Wolfe Street) all the way up to the rear corner where the West-facing masonry wall adjoins the South-facing masonry wall (which Bright Masonry just recently replaced) at a 90 degree angle.
