Special Use Permit #2015-0113
3205 & 3207 Colvin Street
(Parcel address: 3205 Colvin St)

I. DISCUSSION

The applicant, Aidriss Saydi, requests Special Use Permit approval to operate an automotive sales business at 3205 & 3207 Colvin Street.

SITE DESCRIPTION

The subject site is one lot of record. It is an irregularly-shaped through lot with 100 feet of frontage on Duke Street, approximately 292 feet of depth, and roughly 60 feet of frontage along Colvin Street. The lot is developed with a two story concrete and brick building with a footprint of 5,300 square feet. The building fronts on Duke Street with a rear entrance on Colvin Street. The site parking includes a surface parking lot with approximately 25 parking spaces on Duke Street and a rear parking lot on Colvin Street with 24 parking spaces. The lot is split zoned

between Commercial General, encompassing the building and Duke Street parking lot, and Industrial, encompassing the Colvin Street parking lot. The parcel at 3205 Colvin Street, contains two addresses: 3207 Colvin Street is the address for the building entrance facing Colvin Street and 3205 Colvin Street refers to the accompanying parking lot on Colvin Street.

The property is surrounded by a mix of commercial and industrial uses. The second floor of the building contains a mattress and carpet retail center. Directly adjacent to the building along Duke Street is a carpet cleaning business. Additional uses to the east include a landscaping company, which also shares the parking lot with the proposed business. To the east of the building, along Colvin Street, is the Colvin Business Center which houses a sign company, additional auto-related businesses, and a fire extinguisher service. Surface parking lots, a dog daycare and training facility, and a construction company are located to the south across Colvin Street. A decorative painting company is located west of the subject site.

BACKGROUND

Hadeed Carpet and Rug had operated at the subject site for several years. City Council approved SUP #95-0089, for the carpet and rug business, in September 1995 to allow two temporary storage trailers in the Colvin Street parking lot, for a period of time not to exceed 18 months. City Council approved SUP #95-0214 in March 1996 to complete a six month review of the previously approved storage trailers. By September 1996 the applicant had removed the storage trailers from the site.

PROPOSAL

The applicant proposes to use the ground floor of the commercial building at 3207 Colvin Street as an automobile showroom and sales office. The exterior parking lot at 3205 Colvin Street would be used for additional vehicle display and customer parking. The business would operate from 10:00 a.m. – 6:00 p.m., Monday through Friday, 9:00 a.m. – 6:00 p.m., Saturdays, and 10:00 a.m. – 4:00 p.m., Sundays. Up to three employees would be on site during business hours. Approximately three customers are expected at the proposed operation each day. The applicant proposes to display up to 15 vehicles inside the building and an additional 12 vehicles in the parking lot. Interior office space would be used for customer service functions, such as sales meetings, financing, and settlements. Vehicle preparation for sale would be limited to cleaning and detailing and would occur inside the building on the showroom floor. Individual drivers would transport automobiles for sale to the site.

Hours of Operation: 10:00 a.m. – 6:00 p.m., Monday through Friday
9:00 a.m. – 6:00 p.m., Saturdays
10:00 a.m. – 4:00 p.m., Sundays

Customers: Approximately three per day

Employees: Three

Noise: No noise is anticipated from the sales of automobiles.

Odors: No odors are expected from the sales of automobiles.

Trash/Litter: Typical office-generated trash is expected and will be collected once a week. The applicant would monitor the site for litter.

ZONING/MASTER PLAN DESIGNATION

The subject site is located in the I/Industrial Zone and CG/Commercial General Zone. Sections 4-1203 and 4-403 of the Zoning Ordinance allow automobile sales only with Special Use Permit approval.

The site is also located within the Taylor Run Small Area Plan, which encourages the continued support of industrial uses in areas zoned industrial.

PARKING

Section 8-200(A)(16) of the Zoning Ordinance requires automobile sales businesses in the area to have 1.1 off-street parking spaces for each 220 square feet of floor area. At 5,300 square feet of interior space the applicant would be required to provide 27 off-street parking spaces. The applicant would exceed the requirement by providing 15 interior parking spaces at 3207 Colvin Street and 19 parking spaces in the 24-space parking lot at 3205 Colvin Street. The adjacent landscape company, which shares the parking lot at 3205 Colvin Street with the applicant, has access to five parking spaces, also exceeding its requirement to provide four parking spaces, according to Section 8-200(A)(17).

II. STAFF ANALYSIS

Staff supports the applicant's proposal to operate an automobile sales business at 3205 & 3207 Colvin Street. The automobile display and sales room at 3207 Colvin Street and accompanying parking lot at 3205 Colvin Street enable the applicant to maintain an inventory of vehicles to meet customer demand. The Colvin Street corridor is a suitable location for an automobile sales use since it is set apart from residential uses and pedestrian-oriented activities. Traffic impacts would be minimal due to the relatively small automobile inventory and limited number of daily customers expected on site.

Nevertheless, conditions have been added to ensure an orderly business operation and to limit neighborhood impacts. The hours of operation have been standardized as 9:00 a.m. to 6:00 p.m., daily, to permit flexibility for the applicant's business operation in Condition 2. Staff has added Conditions 3 and 4 to ensure all vehicles remain on the applicant's property. Property maintenance is addressed in Conditions 5 and 6. Litter removal and proper disposal of waste products are included as Conditions 12 and 13. Onsite repair work and vehicle washing are prohibited in Conditions 16 and 17, respectively.

Subject to the conditions contained in Section III of this report, staff recommends approval of the Special Use Permit request.

III. RECOMMENDED CONDITIONS

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following conditions:

1. The Special Use Permit shall be granted to the applicant only or to a corporation in which the applicant has a controlling interest. (P&Z)
2. The hours of operation shall be limited to 9:00 a.m. to 6:00 p.m., daily. (P&Z)
3. No vehicles shall be parked or stored in any portion of the public right-of-way. (P&Z)
4. No more than 27 automobiles shall be for sale at any one time. (P&Z)
5. The parking lot shall be maintained in good condition and kept free of weeds and tall grass. (P&Z)
6. The existing fence at 3205 and 3207 Colvin Street shall be maintained to prevent unsightly conditions such as holes, sags, or bent areas from appearing along Colvin Street. (P&Z)
7. No junked, abandoned, or stripped vehicles shall be displayed, parked, or stored outside. (P&Z)
8. Car and supply deliveries, loading, and unloading activities shall not occur between the hours of 11:00 p.m. and 7:00 a.m. (T&ES)
9. All loudspeakers shall be prohibited from the exterior of the building, and no amplified sounds shall be audible at the property line. (T&ES)
10. The applicant shall require its employees who drive to use off-street parking. (T&ES)
11. The applicant shall encourage its employees to use public transportation to travel to and from work. Within 60 days of SUP approval, the business shall contact Local Motion at 703-746-4686 for information on establishing an employee transportation benefits program. (T&ES)
12. Litter on the site and on public rights-of-way and spaces adjacent to or within 75 feet of the premises shall be picked up at least twice a day and at the close of business, and more often if necessary, to prevent an unsightly or unsanitary accumulation, on each day that the business is open to the public. (T&ES)
13. All waste products including, but not limited to, organic compounds (solvents), motor oil, compressor lubricant, and antifreeze shall be disposed of in accordance with all local, state and federal ordinances or regulations and not be discharged to the sanitary or storm sewers or be discharged onto the ground. (T&ES)

14. The applicant shall comply with the City of Alexandria Best Management Practices Manual for Automotive Related Industries. A copy can be obtained by contacting the Office of Environmental Quality at 703-746-4065 or at <http://alexandriava.gov/Environment> under Forms and Publications. (T&ES)
15. The applicant shall control odors, smoke and any other air pollution from operations at the site and prevent them from leaving the property or becoming a nuisance to neighboring properties, as determined by the Department of Transportation and Environmental Services. (T&ES)
16. No repair work shall be done either inside or outside on the subject property. (P&Z) (T&ES)
17. Car washing is not permitted at the facility. (T&ES)
18. The Director of Planning and Zoning shall review the special use permit one year after approval and shall docket the matter for consideration by the Planning Commission and City Council if: (a) there have been documented violations of the permit conditions which were not corrected immediately, constitute repeat violations or which create a direct and immediate adverse zoning impact on the surrounding community; (b) the director has received a request from any person to docket the permit for review as the result of a complaint that rises to the level of a violation of the permit conditions, or (c) the director has determined that there are problems with the operation of the use and that new or revised conditions are needed. (P&Z)

STAFF: Alex Dambach, Division Chief, Land Use Regulatory Services,
Department of Planning and Zoning;
Sara Brandt-Vorel, Urban Planner.

Staff Note: In accordance with Section 11-506(c) of the Zoning Ordinance, construction or operation shall be commenced and diligently and substantially pursued within 18 months of the date of granting of a Special Use Permit by City Council or the Special Use Permit shall become void.

Hi Sara ,

It's absolutely fine anything to help!

Yes so 15 inside and 15 outside. 3 of the outside parking will be for customers and 12 spaces will be for sales.

Employee will park on the main road (Colvin St), there is free street parking.

Let me know if there is anything else I can help with!

Hi Mursal,

Based on the parking diagrams you've provided for the interior and exterior parking, can I formally revise the application you submitted to indicate that there would be 15 interior parking spaces and 15 exterior parking spaces for the display of vehicles that you are hoping to sell?

I know the application has gone back and forth a few times as we've worked through this process, and it had initially said 15-20 vehicles displayed outside and 8-10 vehicles displayed inside. I would like to indicate that we've settled on 15 each inside and outside.

Thanks!
