- Request Description: Council Hearing December 12, 2015 Pat Miller Park naming issue

Mr. Mayor and Members of Council:

It's probably not normal city policy to name a city site after a living person, but I think in this case an exception should be made.

With little help from the city, a handful of hard working residents have taken an area that was wrought with crime, motorcycle gangs, and almost non existence retail presence into a neighborhood jewel. So popular a neighborhood that even the zoning powers to be from Arlington came down this year to learn the "secret" of a great area.

Pat Miller was, and still is, one of the ring leaders that helped forge this transition, and as a small token of thanks the ability to name a parking lot after her is a small price to pay. I would say you're getting off cheap.

And if it were up to me I would rename a lot of the streets in Del Ray after the rest of that group that helped to make Del Ray what it is today.

Thanks for your time.

Mango Mike Anderson

I'm writing in support of naming the City parking lot at Mt. Vernon Avenue and Oxford Street in honor of Pat Miller. As you know, she has worked tirelessly and effectively to promote our City and the Del Ray neighborhood for many years. Pat never asks for recognition for herself, but she definitely merits that recognition, and this would be a great way for the City to show her how much she is appreciated.

Thank you,

- Request Description: SUPPORT FOR PAT MILLER NEIGHBORHOOD SQUARE
To our Honorable Mayor and valued Members of our City Council:

This letter is being sent to you in strong support of Gayle Reuter and the Del Ray Business Association's request to have the City lot located at the corner of Mt. Vernon Avenue & E. Oxford Street permanently named the Pat Miller Neighborhood Square.

Really, there are not enough words to describe the importance of Pat to the neighborhood of Del Ray, Alexandria, VA. Since I won't be able to attend the December 12, 2015 Public Hearing at which this item will be reviewed, I want to share my thoughts with you in writing.

Quite simply: Pat Miller is an extraordinarily selfless, generous, committed, innovative community leader, whose activities have been transformative for a great many individuals and for the entire Del Ray neighborhood.

At the risk of making this letter longer than intended, I'm nevertheless compelled to stop and reflect on the preceding sentence in order to savor the meaning of each key word. Some dictionary definitions will suffice:

- Selfless: thinking more about the needs and/or happiness of other people than about your own;
- Generous: readily giving more of something, such as money or time or kindness, than is strictly necessary, anticipated, or expected;
- Committed: willing to work hard and give your time and energy to something; believing strongly in something;
- Innovative: introducing or using new ideas, ways of doing something;
- Leader: a person who leads a group of people, an organization, etc. and/or a person or thing that is the best; and
- Transformative: to completely change the appearance or character of something, especially so that it is better

Pat is a leader of leaders and an endless source of inspiration to give more of oneself for the good of others.

In the mere four years I've lived in Alexandria, I have volunteered in more Pat-Miller- managed arts, civic, and charity events than I could possibly list here. She consistently generates a spirit of renewed excitement and increases participation across an amazingly broad spectrum of volunteer programs.

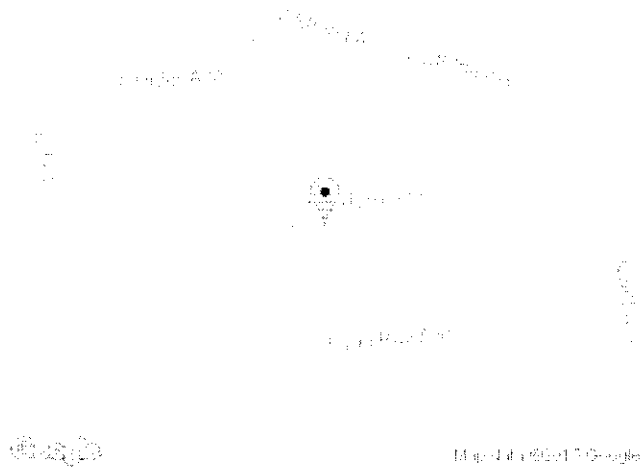

I'm sure most of you have known and admired Pat long before I even met her; and I hope you'll agree that naming this particular location for Pat Miller will be both a wonderful tribute to Pat – and a continuing inspiration to emulate her contributions toward making Del Ray an active, growing, vibrant component of the greater Alexandria community.

Thank you for your serious consideration of this matter.

Regards,

Susan Amber Gordon

I fully support naming the Farmer's Market area after Pat Miller. I have had the honor of working with Pat on the Miracle League, as well as many other projects, and she truly represents the best of Alexandria.

She cares deeply about the community and is always looking for ways to make our City a better place. She is also that rare combination of dreamer and doer - she thinks of projects to be done and then she makes sure that they are indeed done.

Alexandria has certainly benefited from Pat's presence here. It's appropriate to honor such an outstanding member of our community.

Thanks,
Bill Rivers
