Dear Mayor Silberberg and Members of City Council,

I'm writing to ask that you vote for Ryan Jones this evening as the new citizen member of the City's Transportation Commission.

Ryan has been extremely diligent and dependable in how he approaches neighborhood issues and I believe his transit expertise that he brings from his work with Fairfax County and formerly at PRTC will be invaluable for the Transportation Commission.

Additionally, I believe it important that the City include representation on the Transportation from residents of the north end (Lynhaven, Arlandria, Potomac Yard, Metroway) and Ryan's membership on the board will supply that. There is quite a bit happening along the Route 1 corridor, particularly on the north end and the transportation commission will benefit from someone who has real life experience.

Thank you for your consideration,

-Kevin Beekman
