The Honorable Mayor and Members of City Council  
City of Alexandria  
301 King Street  
Alexandria, VA 22311

I write to endorse Thomas 'Jay' Johnson, Jr. for reappointment to the Alexandria Traffic and Parking Board. He has proven ability to work with various stakeholders who oft hold competing viewpoints.

As chair of the Traffic and Parking Board, Jay leads with integrity, patience, and compassion. Having previously served with Jay on this board, I always found his presence to be an asset.

Jay hails from a respected Alexandrian family with a deep connection with the Alexandria Fire Department. His long residency, his intimate knowledge of Alexandria's many neighborhoods, and his service in numerous volunteer activities (in benefit of our fair city) provided me during my tenure with awareness and insight found in few other people.

I ask that City Council support Jay and reappoint him to the Traffic and Parking Board.

Sincerely yours,

Amy Slack

- Request Description: Honorable Mayor and Council,

At your upcoming March 8 legislative meeting, you will appoint two members to the Traffic and Parking Board. I'm writing to ask your support in appointing Ann Tucker to one of the slots. As the outgoing member of Traffic and Parking, I specifically asked Ann to apply. I felt her prior experience on the Board of the Clover-College Park Citizens Association would be a great addition to the Board. She has learned through the many projects the City has investigated and completed in her neighborhood the importance of complete streets. She can easily speak to and understand multiple sides of issues such as those that come before the Board. She has lived in the City nearly 20 year years, both in Del Ray and the middle of the City. I have known Ann for 5 years in a variety of settings. She asks good questions, ensures she understands a situation before she renders her opinion, and wants to serve the City of Alexandria. I would be happy to answer any questions or concerns you have about Ann's application and would encourage you to vote in support of her appointment.

Dear Mayor and City Council Members,

I submit this letter to support the reappointment of Thomas Y. (Jay) Johnson Jr. to the Traffic and Parking Board. I served for a period of five years on the Board along with Jay in the mid-1990s. He was the Vice Chair at the time and his knowledge of Fire Department needs proved invaluable in evaluating proposals for road changes to ensure that they not hinder the transport of first responders on emergency calls. As a career Federal law enforcement agent, I appreciated his knowledge of the City and the needs of first responders. The City will be well served by Jay's service for another term on the Board.

Best Regards,
