Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 91458.

Request Details:

- Name: Thomas Hyde
- Approximate Address: No Address Specified
- Phone Number: 301-440-0907
- Email: vthyde@gmail.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Good morning.

I apologize for not reaching out sooner given the short review period.

I submitted my resume for consideration for the ARHA appointment last week and I simply wanted to reach out and make myself available to address any questions or concerns you may have. I can be reached via email at vthyde@gmail.com or on cell phone at 301-440-0907.

Given the active and pending redevelopment of ARHA properties, I feel that I have a skill set that would be beneficial to both the ARHA Board and the City. Opportunities of this scale might only present themselves once every 20+ years and it will be important to select the appropriate partners and to execute effectively to increase the availability of much needed housing.

My wife and I are active supporters of the Campagna Center, through her participation in the Junior Friends, but, given my work commitments, I haven't been able to take a more active role locally. I'm hopeful that this might be the first of many opportunities I would have to start giving back to the City.

Thank you in advance for your consideration.

Regards-

Tom Hyde

Request Details:

- Name: Bob Eiffert
- Approximate Address: No Address Specified
- Phone Number: 703-212-7116
- Email: michaelandbob@comcast.net
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Dear Mayor Silberberg, Vice Mayor Wilson and Members of City Council: This is Bob Eiffert and Michael Curry writing to support Thomas Hyde's application to serve on the ARHA Board. You should receive his application today in your docket material for March 8. Tom is a personal friend of ours who is also a highly experienced housing developer with Miller and Smith [please note that Miller and Smith is NOT an applicant for any of the ARHA redevelopment properties.] Tom brings a wealth of knowledge of the development process, including a solid understanding of the need to communicate effectively with local elected officials throughout the development process. He has done so repeatedly with the Frederick, Maryland City Council and other jurisdictions. He can help the ARHA Board communicate and work with you on the many ARHA redevelopment projects coming soon. He will also be able to help the ARHA Board evaluate development proposals in a way that no other member can. Tom is a smart and hard worker who will benefit you, the ARHA Board and the preservation of affordable housing in the City of Alexandria. We hope you will be willing to speak with him when he contacts you, and we urge you to support his application.
