

ALEXANDRIA TRANSIT DEVELOPMENT PLAN

**City Council
April 12, 2016**

Transit Development Plan Overview

- Transit Development Plans (TDP) are a new requirement by Virginia Department of Rail and Public Transportation (DRPT) in order to be eligible for Operating Assistance and Capital Grants
- The TDP is a 6-Year policy document guiding all transit investments in the City of Alexandria

Transit Development Plan Overview

- The TDP is a compilation of all active plans for transit in the City of Alexandria
- Outlines capital and operating needs within fiscally constrained and unconstrained scenarios
- Updates to DRPT provided annually to track progress and provide relevant changes

Framework for Transit Development Plan

- Transportation Master Plan
- DASH Comprehensive Operational Analysis
- DASH Transit Development Program
- Landmark Van Dorn Corridor Plan
