To Whom it May concern;

I am writing in concern over The application of Bright Minds Daycare at The Meade Church 322 N. Alfred St. on Wednesday May 4, 2016.

I live on The 400 block of Alfred St. and am very much against the plan. I am very familiar with The Church and know that The whole idea is a pipe dream, and will outline only a small number of my concerns.

- 1) lack of adequate facilities - ie playground, supplies ~~etc.~~ garbage cans, toys, books etc. etc. etc.
- 2) The church is unable to remove snow from both The adjoining side walks and parking lot during The winter.
- 3) Every week day, and Saturdays in winter, the church houses a very successful Bag Lunch program feeding up to 60 people a day, a program that has existed for over 30 years. Are The two programs possible in a relatively small space.
- 4) I counted about twelve or more daycare/ preschool groups within a mile and a half.
- 5) None of The neighbors want the traffic interruptions. The drop-off and pick-up will necessitate. As it is the traffic is hopeless especially during rush hours.

I could go on and on, but I will leave it as stated. I feel This entire "escapade" is a desperate attempt to make money which is a commodity The Meade Church sorely lacks.

Thanks for your concern. I am very sorry I will not be able to attend The meeting.

P.S. I would appreciate it That my name not be advertised as I shall am involved with The Bag Lunch program and a close friend of ^{the} many church congregation
