2016 Aquatic Health Season **First Aid Kit List**

The following is a list of items that must be supplied at each aquatic health facility. The list will be reviewed and updated annually to ensure that it remains consistent with industry recommendations. The list is not exclusive or exhaustive, but represents the absolute minimum supplies the Health Department considers necessary for the treatment of minor cuts, grazes and injuries. This list will be used to check compliance with section 11-11-64 (2) of the Aquatic Health Ordinance.
