Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 99396.

Request Details:

- Name: Sheila Bailey
- Approximate Address: No Address Specified
- Phone Number: No Phone
- Email: baileysheila1@hotmail.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Good Evening,
I'm writing on behalf of Cameron Run Water Park. As a resident of Alexandria since 2003, I can say the water park is a wonderful asset to the community for kids of all ages. Over the years, my son and friends have had birthday celebrations, scouting outings and "just hanging out" time with friends. It is a safe and convenient location for summer camps to bring kids who may not get exposed to water if Cameron Run Water park was closed. Please strongly consider supporting the water park 20 year lease being considered at this time.

Regards,
Sheila Bailey
7 East Spring Street
Alexandria, VA 22301

- Expected Response Date: Thursday, June 23

Subject: Call.Click.Connect. #99390: Mayor, Vice Mayor, City Council I support the renewal of the Cameron Run

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 99390.

Request Details:

- Name: Ted Johnson
- Approximate Address: No Address Specified
- Phone Number: 703-587-2945
- Email: apricotstomorrow@gmail.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: I support the renewal of the Cameron Run water park lease for an additional 20 years. It is an enjoyable park that our family uses frequently, and we thoroughly enjoy it. The small group of opposition seems motivated to stop the lease only based on greedy opportunities for themselves. They do not represent the majority.
- Expected Response Date: Thursday, June 23

Please take the necessary actions in responding, handling and/or updating this request at the [Call.Click.Connect. staff interface](#).

If you need assistance with handling this request, please contact CallClickConnect@alexandriava.gov or call 703.746.HELP.

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 99374.

Request Details:

- Name: Judy Davis
- Approximate Address: No Address Specified
- Phone Number: No Phone
- Email: judyhdp2@me.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Alexandria City Council Meeting 6/18/16 - Agenda Item 7.1

PLEASE CONTINUE THE LEASE FOR CAMERON RUN ON EDSALL ROAD, I SUPPORT THIS FACILITY AND APPRECIATE OUR OPTIONS AS AN ALEXANDRIA RESIDENT. THE WATER PARK, THE BATTING CAGES AND THE MINI GOLF ARE ALL VALUABLE OUTDOOR PARKS AND RECREATION FOR THE WEST END OF ALEXANDRIA. MY FAMILY HAS PURCHASED SEASON TICKETS TO THE WATER PARK IN VARIOUS YEARS, I ENJOY THE BATTING CAGES PERSONALLY, AND MY DAUGHTER AND I HAVE ENJOYED THE MINI GOLF ON SEVERAL OCCASIONS.

AS A WEST END RESIDENT WHO HAS SEEN THE PROPOSED 25 YEAR MASTER PLAN FOR THE WEST END, THIS PARK AND SET OF FACILITIES COULD EASILY REMAIN AND FIT WELL INTO NEWLY PROPOSED DEVELOPMENT.

I ALSO UNDERSTAND THAT NOVA PARKS INVESTS IN AND MAINTAINS THE FACILITIES. I APPRECIATE THEIR EFFORTS AND BELIEVE THIS IS A WONDERFUL FACILITY THAT GIVES ALEXANDRIANS A VARIETY OF CHOICE FOR OUTDOOR RECREATION.

THANK YOU FOR YOUR CONSIDERATION,
JUDY DAVIS
WEST END ALEXANDRIA

To: City Council; City Council Aides; Jackie Henderson; Call Click Connect; Gloria Sitton
Subject: Call.Click.Connect. #99207: Mayor, Vice Mayor, City Council Eighteen months ago the contemplated ren

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 99207.

Request Details:

- Name: Don Buch
- Approximate Address: No Address Specified
- Phone Number: 619-985-4321
- Email: dnbuch@hotmail.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Eighteen months ago the contemplated renewal of the Cameron Run Park lease to NOVA Parks became a controversial issue. I was part of a group that petitioned you to establish an "advisory group" to work through the questions, issues and concerns hopefully without bias or hidden agendas. What became of that request? Based upon the events of the last couple of days one would have to conclude "not much". Why?

A couple of days ago I was contacted by someone I'd worked with on the petition, who expressed concern (maybe astonishment would be more accurate) that requested Council approval of a new lease had been "slipped in" to last night's Council agenda. I watched the Council meeting with mounting concern.

Where does one begin?

- Why so little advance notice? Can you accept that some members of the public might be suspicious of some underhanded strategy?
- Do you not care about the financial ramifications of the deal? Does \$0.50 a year for 20 years really seem like a fair rental for a \$200 million site? Is anyone going to (try to) explain that to the public? One can only conclude that, despite this issue having been on the table for 18+ months, you had precious little time to acquaint yourselves with any of the latest details yet were apparently expected to rubber stamp the deal last night. Of course, the public had even less time, less access to details and apparently was to have no expectation of any public hearing or comment.
- Is the public not entitled to know and understand the details? Apparently the hope was to run this by Council and it would be a "done deal" before the public got wind of the deal. Does that not trouble you?
- Are you not troubled by a staff member telling the Vice Mayor that they didn't (bother to) consider alternative (possible higher and better) uses? Do they not work for you and for the citizens – or are they somehow beholden to NOVA Parks? Am I missing something?
- It is even more astounding that NOVA Parks (apparently at the City's request) did evaluate alternative uses and – surprise! – they concluded that our leasing the property to them (for \$0.50 a year) was our best option. Does no one think they might possibly have a conflict of interest in making this assessment? Really?
- And NOVA Parks "may" make improvements with no indication as to when, what, where or for that matter, if ever. The City clearly seems to be getting a pig in a poke, as Councilman Chapman clearly elucidated.
- Does the City not have a Parks & Rec Department? What are their thoughts? Has anyone consulted them? Apparently the Mayor had a private meeting with them but do we/you know the outcome of that? Why were they not represented by a single individual last night? Did they simply assume – as seemed to be the plan – that this was a done deal?
- Does the City not have a Parks & Rec Commission? Where do they stand? My recollection is that, eighteen months ago, they were not happy with the deal the City was considering at that time. Have things changed appreciably? Have they been consulted about the latest deal? Where were they last night?
- It appears that 517 Prince Street is a total red herring. It clearly deflected most of your attention away from the central issue which a skeptic could only assume was very much the intent of NOVA Parks (which I would note did

not appear to be present last night). How on earth did this (\$1.9 million) property come to be the focus when an immensely more significant "deal" (relative to a \$200 million property) got comparatively little attention? To suggest that 517 Prince is somehow the magical key to this deal being financially viable strains one's imagination. Separate the two and let each one stand (or fall) on its own merits (or lack thereof).

- What's the rush? There's more than 5 years to go on the current lease. This matter has been on the table for 18+ months. Yet we are told – yet again to accommodate NOVA Parks – that we need to rush this through as their option on 517 Prince expires at the end of this month. That does not appear to have been a very wise negotiation on their part but is hardly a valid reason for them to now try to force our hand without adequate time for review and public involvement.

- It is hard to fathom the suggestion that there has been little public involvement because this is a complicated legal deal. So the public is too dumb to understand? Why can they suddenly today know the deal that is proposed? Why was it okay for details to be on the table and available to the public 18 months ago? Again, a skeptic might wonder if NOVA Parks didn't like the way things were going so negotiations were subsequently taken "behind closed doors". Time might be well spent to try and dispel that skepticism.

I could go on but that is undoubtedly enough for now. Hopefully the public will be involved in the ultimate decision and there will be no rush to judgement, as much as NOVA Parks might like otherwise.

Respectfully,

Don Buch

Subject: Call.Click.Connect. #99111: Mayor, Vice Mayor, City Council Please do not authorize the City Manager

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 99111.

Request Details:

- Name: Jeff Newhouse
- Approximate Address: No Address Specified
- Phone Number: 703-549-4378
- Email: jrzew@comcast.net
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Please do not authorize the City Manager to execute a twenty-year lease with NOVA Parks for the use of Cameron Run Regional Park (File #: 14-5349). This site has enormous potential to provide YEAR-ROUND recreational opportunities for Alexandria residents. We are deficient in open space and we are deficient in rectangular athletic fields. The city's youth sports organizations are very eager to discuss potential public-private partnerships to enable the proper development of Cameron Run into a much-needed athletic facility.

This issue is in need of more planning, research, and public input. The reasons put forth for the need of urgent approval are spurious at best.

- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Dear City Officials-
As long-time residents of the City of Alexandria, my family appreciates and value all that the city offers. From great restaurants, shopping and a whole host of conveniences and recreational options.

I am writing to you today to urge you to keep Cameron Run water park a permanent recreational facility in our community. The park is not only well managed, but is a welcomed opportunity for families to enjoy water rides, waves, fun food during the Summer.

It's location is ideal because it keeps City families here at home otherwise, they would have to travel great distances, sometimes to other states for family fun.

Let's not forget, the employment opportunities that are provided to the City's young people who are anxious to earn income during the Summer.

I hope you will seriously consider the value of Cameron Run (Great Waves) and keep it a permanent fixture in our community!

Sincerely,

Marsha Padilla-Goad

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 99370.

Request Details:

- Name: Rachel Malleck
- Approximate Address: No Address Specified
- Phone Number: 7039675648
- Email: rachelmalleck@gmail.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Dear Mayor, Vice Mayor, and City Council,

I am unable to attend the Council meeting this Saturday but would like to voice my support for delaying any decision on the extension of the land lease for the Cameron Run Park with NVRPA. I strongly feel there has not been enough public discussion on best uses for this important plot of land.

Much thanks,
Rachel Malleck
2509 King St.

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 99354.

Request Details:

- Name: Ian Guch
- Approximate Address: No Address Specified
- Phone Number: No Phone
- Email: misterguch@chemfiesta.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: As a longtime NOVA resident who spent many years in Alexandria city before moving to Fairfax County, I'd like to weigh in on the Cameron Run Regional Park debate that's going on. I understand that the lease is expiring, and that you are considering doing something else with the land. Please reconsider doing this. There are many kids in all municipalities who love the park and many others who work there for summer jobs. It provides a cheap and fun place for kids to play and there are no other facilities like it until you get to the fringes of Fairfax County.

Currently, I'm planning to open a business in early 2017 and I'd like to open it either on Duke Street or in the Eisenhower business complex. If Great Waves is not renewed, I will not open my business anywhere in Alexandria City - I will also stop patronizing stores in Alexandria City in my personal life. I know I'm only one person and I'm only planning in putting \$220k into my business at this point, but as they say, every little bit counts.

Regards,
Ian Guch

Subject: Call.Click.Connect. #99358: Mayor, Vice Mayor, City Council at 4001 EISENHOWER AVE
Dear Alexandria Mayor, Vice Mayor, and C

Dear **Call.Click.Connect.** User

A request was just created using **Call.Click.Connect.** The request ID is 99358.

Request Details:

- Name: Henri Bartholomot
- Approximate Address: 4001 EISENHOWER AVE (See [map below](#))
- Phone Number: 703-536-2413
- Email: hbartholomot@gmail.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Dear Alexandria Mayor, Vice Mayor, and City Council members,

I encourage the City to renew its lease with the Northern Virginia Regional Park Authority (NVRPA) for Cameron Run Regional Park. Cameron Run and its facilities are an essential component of the NVRPA park system, and they provide numerous, genuinely needed recreational benefits to all area residents.

Cameron Run is one of only 5 water parks within the NVRPA system, and all are heavily used, including by area school and church youth groups. Also, Cameron Run is unique, providing the only ocean-wave pool and among the best water slides in the system.

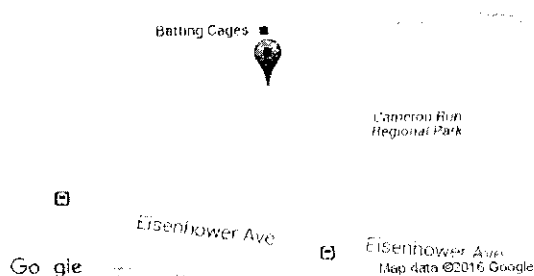

My family and I and numerous other families throughout Northern Virginia benefit regularly from the NVRPA parks, including Cameron Run. And all of the parks provide jobs for area residents who staff the park facilities.

Furthermore, the City's investment in NVRPA provides access for City residents to all the NVRPA parks without an entrance fee. And together with user fees, investments by the City and other area jurisdictions enable NVRPA to maintain the park system. It would be difficult for the City alone to replicate these parks and their facilities.

Please support Cameron Run and the NVRPA park system by renewing the lease. Thank you.

Sincerely, Henri Bartholomot

Request Details:

- Name: Ann Petrie
- Approximate Address: No Address Specified
- Phone Number: 703-764-8881
- Email: apetrie5325@aol.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: I'm astonished to hear that you're considering not renewing the NVRPA Waterpark lease at Cameron Run, one of the few regional parks that cater to disabled kids. Unlike many wealthy Alexandria residents, the majority of working-class people can't afford fancy Disneyland vacations for their kids. Many of the Cameron Run attendees are also youngsters who are in Fairfax County SACC (school-age child care) programs for the summer while their parents work, and these kids' smiling faces can be seen at Cameron.

Shame on you Alexandria Grinches. Maybe those of us who value reasonably-priced, quality summer activities for our kids and grand kids should get together and ask the Federal Government, who originally had vast land tracts at Cameron Station, to re-acquire their Cameron Station Lands from Alexandria and make sure the land benefits all the people.

- Expected Response Date: Thursday, June 23

- Email: danixt@yahoo.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Dear Mayor and City Council-

I am writing in my capacity as President of the Townes at Cameron Parke Homeowners Association, Inc. Our townhome community is adjacent to Lake Cook and the Great Waves Water Park. It just came to my attention today that a hearing is scheduled on June 18 to renew the lease for the water park operated by the NVRPA for 20 years. As an Association we would like to be able to comment at this meeting but do not have enough time to formulate our proposals given the meeting is in 2 days. We need time to receive input from our residents.

Given the fact that we are very much affected by what goes on at the park and have several concerns about its current operation we respectfully request that you postpone consideration of this decision until either July or August so we may be able to properly be able to add our input to the proceedings.

Thank you for your time and consideration of our request.

Regards,

Dan Anixt
President
Townes at Cameron Parke HOA

- Request Description: Please keep Cameron Wave Pool and area open. My family has used the facilities every summer. For 5 or more years we were able to buy season passes. Every summer I take my son and a pack of his friends there a few times. Our development does not have a swimming pool. Joining Hayfield Farms, Virginia Hills or SpringBoard Pools is much more expensive then joining the NVRP pools. Lee District does not have an outdoor pool. The splash pad is for little children. What is in the area for older children especially teenagers that can't drive yet? Joining the others pools is cost prohibitive. My husband has also taken our son to the batting cages many times. The Wave Pool is a wonderful landmark for the area.

- Name: Sandy Ibrahim
- Approximate Address: No Address Specified
- Phone Number: 202.436.2721
- Email: sandymibrahim@gmail.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Please keep our Cameron Run Park open. Safe, inexpensive entertainment keeps our young from harmful behavior.

Parks like these are directly responsible for ensuring that our youth and adolescents have a safe space and can engage in wholesome fun. Closing these parks will only negatively affect our youth and give them opportunities to engage in potentially dangerous and harmful behavior. In the end, you will spend more money on damage, health care, and law enforcement if you close the parks.

My son doesn't fit into this category yet; he is only 5. But, there are so many teenagers that use the park, and I know having a safe place for them is so important for their development, their education, their safety, and staying drug and alcohol-free. Not to mention the park's employment offers youth workforce development.

Please keep the parks open, it is an investment in our children and their future.

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 99305.

Request Details:

- Name: Jim Rowley
 - Approximate Address: No Address Specified
 - Phone Number: No Phone
 - Email: jimrowley@verizon.net
 - Service Type: Mayor, Vice Mayor, City Council
 - Request Description: Please delay action on the Cameron Run Park tract on Eisenhower Ave until a full discussion may be had on how best to use this valuable Alexandria resource for the entire community. The evidence of rushing into things without the entire community sharing an opinion on the outcome now stands near the Mark Center on Seminary Road.
- Thank you for your consideration and your thoughtful stewardship of Alexandria's public assets.
- Expected Response Date: Thursday, June 23

Please take the necessary actions in responding, handling and/or updating this request at [the *Call.Click.Connect.* staff interface](#).

- Service Type: Mayor, Vice Mayor, City Council
- Request Description: To whom it may concern:
Please strongly consider postponing the vote on use of the Cameron Run recreational facility. I believe the publics voice should be heard as our taxes contribute to the city's cost to keep the seasonal water park running. We do not know which residents the park serves and whether it is the best use of that space. It should be open to discussion as the council should be impartial in these decisions and there is no obvious need to rush this decision as there is 5 years remaining on the current lease.

Respectfully,

A concerned citizen

- Email: deborah.heron@fairfaxcounty.gov
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Hello:

It is my understanding that there is a possibility that Great Waves Water Park will close once its current lease expires. This would be a mistake on so many levels. I bring my camp staff and counselors to this park twice each summer (over 50 people for each visit), and they enjoy it immensely. It is unique in that it has waves that absolutely thrill the kids. I wholeheartedly support a long-range contract with NOVA parks. It will help to improve and update Great Waves Park and keep jobs for young adults intact for the summer months. In my opinion, we need more physical activities for children and adults alike.

Thank you.

Deborah A. Heron
Director of Youth Programs
Reston Community Center

- Phone Number: No Phone
- Email: sherrihunter@verizon.net
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: I am writing in support of continuing the lease of Cameron Run as Great Waves Waterpark. It is a great asset to the region, and I'm sure it cost a lot to build. It would be a shame to tear it out. I am a resident of Arlington, and my family much prefers Great Waves to Upton Hill, which is much smaller and more crowded. I actually think the wave pool at Great Waves is better than the one at Disney's Typhoon Lagoon, which can knock you down. There already is an extreme shortage of ways to have fun in the area; I'd hate to see this one disappear. I also think Alexandria should continue to support NVRPA through this park.

Thank you,
Sherri Hunter

- Approximate Address: No Address Specified
- Phone Number: 7039816593
- Email: cwdillon@gmail.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: For the Alexandria City Council, Vice Mayor and Mayor:
I hope the City Council will engage with the community before approving the proposed Northern Virginia Regional Parks (NOVA Parks) lease renewal for the city's property at Cameron Run Regional Park.

Documents provided with the docket for the 18 June City Council meeting, in their combination, imply that the City plans to renew the NOVA Parks lease without bringing the question to the citizenry of the City. In Attachment 2 of File 14-5476, the representative for NOVA Parks explains that their purchase of the Murray Livery property is wholly contingent on renewal of the lease at Cameron Run. In Attachment 3 of the file, the NOVA Parks representative declares that they will close the purchase of the property on 29 June. NOVA Parks seems to have enough confidence that the Cameron Run lease would be approved that they entered into a legally-binding agreement to purchase the Murray Livery property before the City Council had presented the question to the people of Alexandria.

When will the people of Alexandria have an opportunity to collectively consider the proposed lease renewal and fate of the property at Cameron Run?

Subject: Call.Click.Connect. #99537: Mayor, Vice Mayor, City Council Subject - Cameron Run Park (Water Park)

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 99537.

Request Details:

- Name: Dave Levy
- Approximate Address: No Address Specified
- Phone Number: 703-549-5289
- Email: bentbiking@yahoo.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Subject - Cameron Run Park (Water Park) Lease and Historic Murray's Livery property purchase

Mayor and City Council Members,

Sorry for the late comments. I request that you defer action on this matter until the Recreation, Parks, and Cultural Affairs Commission adopts a plan for the future of Cameron Run Park. As you know the RPCA department has been developing long range plans for our park system. While NOVA Parks has submitted their alternative use report, the Park staff has not completed its study for public review and the Commission's adoption.

The Water Park facility is a revenue generator for NOVA Parks. As such, it contributes funds for the complete operation of NOVA Parks; the income is not dedicated to its Alexandria facilities. Therefore, the entity NOVA Parks is liable for all of its bonds and loans; the City should not become a party to NOVA Parks debts.

Any lease should delineate (describe and map) the limits of the parts of the park that NOVA Parks (NOVA) may utilize. In the past NOVA activities have damaged sensitive, unique natural resources on the site; for example, some areas may not tolerate any picnicking use. Articles VI and XIV of the lease need specifics about the limitations and restrictions on NOVA's facilities and operations. NOVA previously said it planned to build a taller structure; while this may be a good improvement, it is not now allowed under City zoning.

In addition, the City needs to consider the relationship of Cameron Run Park to the Eisenhower West Small Area Plan and the timeline of development of that area.

Again, I request that this matter be deferred until all the parts of the puzzle can be seen and appropriately considered.

Thank you for considering my request.

Cordially,
Dave Levy

Subject: Call.Click.Connect. #99531: Mayor, Vice Mayor, City Council I am Todd Carroll, 28 year resident of A

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 99531.

Request Details:

- Name: Todd Carroll
- Approximate Address: No Address Specified
- Phone Number: 703.772.2360
- Email: tcarroll3403@comcast.net
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: I am Todd Carroll, 28 year resident of Alexandria. I have 3 children who have been very active in youth support in Alexandria - Soccer, Baseball, Volleyball, and Crew. I currently on the Alexandria Soccer Association Board of Directors

I am writing to request city council slow down the process in considering to extend the lease of Cameron Regional Park to Virginia Regional Park Authority (NVRPA). Cameron Run Regional Park is one of the largest park spaces in the city comprising of over 25 acres. This unique space could be an amazing hub of year round recreation activities for youth and adults in the city. One that we desperately need and deserve especially as we project a continued increase in participation in recreation activities like soccer. City council is proposing to extend the current lease with North Virginia Regional Park Authority (NVRPA) for twenty years that would eliminate possibilities for alternative uses or improvements to very valuable space for two decades. They are doing so without considering any alternative uses that would come from a much needed and appropriate in depth planning process.

Part of my rational i:

- * There are NO other spaces like Cameron Run in the city that can provide many of the recreational facility unmet needs in one place.
- * The current Great Waves Waterpark lease with NVRPA provides very limited overall benefit to the Alexandria city residents relative to the possibilities at a space this large and accessible.
- * A comprehensive design with alternative uses of the park (indoor facility w/ courts, lit rectangular fields, aquatics, walking trails, etc.) would fulfill the existing and future need for year round recreational space when the current lease ends in 2022. The current RPCA city plans in place only replace turf at existing locations. There are no plans in the next ten years to add new facilities at large parks WITH lights.
- * The lease extension has been expedited by pressure from NVRPA of making minimal new investments to the park such as a new water slide. The Parks and Rec commission has not been given any time to review the plan and advise the city council about possible alternatives and recommendations.

Thanks,
Todd

- Approximate Address: No Address Specified
- Phone Number: No Phone
- Email: weadams@gmail.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Please do not support the 20 year lease extension for Cameron Run park and the water park. The city should negotiate a better deal and improve city services for all, not just users of the water park. It makes no sense to accept such a long lease, even if there were substantial improvements being promised. The fact that there aren't means this should be an easy decision for all city council members.

Thank you.

- Request Description: I just finished reading an article in today's Post on the Eisenhower Ave Water Park giveaway. Seriously, what else is the city giving away anyway? I would suggest that the city review all of the agreements that have been in force for more than twenty years without a change in terms and bring these contractual relationships into the 21st century where for most people money is not without limits. For a start, why is the city giving the land for the water rent free and then paying them \$4.60 for each resident regardless of whether or not they actually use the facility? I propose that we charge them market rent and then provide vouchers free of charge to people who actually need that assistance rather than paying assuming that every resident from the ages of 1 - whatever will benefit from the use of that facility? The city has no problem whatsoever charging people who pay taxes for special services so why don't you expand the revenue base by charging everybody market rates for assets that are owned by the city. And why doesn't the city just buy the house on Prince Street and operate it yourself? If it is financially stable it would be a good source of revenue and since you have money for additional appropriations it is clear that the city can do that with no problem.

- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Dear Mayor, Vice Mayor, and City Council members:

As a resident of Alexandria City, I would like for you to consider examining the use of Cameron Run Regional Park for more than just a water park. I lived here from 2006 to 2009 with an infant and a toddler, and I returned in 2014 with two school-aged children, and we have never once been to the water park. Before, we joined the Ft. Myer Officer's Club and used their pools, and this go round, we have done the same, and we also have a pool in our community (Cameron Station); however, as members of the Alexandria Soccer Association for the past two years, we have used various parks, fields and playgrounds, and of course, as residents of Cameron Station, we use the parks within our community. As both city residents and ASA members, we implore you to consider alternative uses for that 25 acre space, which could come from a more in- depth planning process.

Respectfully,

Marie Rush

- Email: wendymoniz@comcast.net
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Hello,
I just wanted to weigh in on the Cameron Run Regional Park issue that I just learned about this weekend. I have been a resident of the City of Alexandria for nearly 19 years and am still puzzled at how our world class city can have such second-rate parks and recreational facilities. How are we going to compete with places like Arlington and Fairfax County, who clearly invest in their communities by providing state of the art fields, parks, aquatic facilities, etc. If I was new to the area and had to decide where to buy a home, I'd definitely consider Arlington over Alexandria because of this.

Cameron Run/Great Waves water park is used for only a fraction of the year and serves a limited population. This land could and should be used to create the much needed recreational facilities that our residents so greatly deserve and desire.

I hope you will consider this in your planning discussions.

Sincerely,
Wendy Moniz

- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Re Planning Process for Cameron Run Regional Park.

I urge the City Council to carefully evaluate and consider all options for planning for the Cameron Run Regional Park before simply extending the current lease with North Virginia Regional Park Authority (NVRPA). There is a huge need for additional soccer and aquatics facilities, particularly in the west end, that could be met by using the park differently. As a parent of two children, one who participates in Alexandria's travel soccer and one who swims and has found it difficult to get access to other indoor aquatics facilities over the winter, our family has needs that might be better met by different use of the park. Failing to consider these additional options first would be acting without consideration all of the community's needs.

Thank you.

Arden Levy

- Email: danieljbeason@gmail.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Hi, my name is Daniel Beason and I live in the Townes at Cameron Park (TCP), the neighborhood next to Cameron Run Water Park/ Great Waves.

I don't speak for our entire neighborhood, as we have not had time to have an association meeting about the park.

I will summarize some of what I have heard my neighbors say and add my own comments.

We Need Time for Public Comment

If all motions were to pass today without further discussion, the status quo at the park will remain the same until 2036.

TCP was only notified of the discussion after I happened to watch the city council meeting on June 14th, 4 days ago. No outreach has been conducted to our neighborhood despite the fact that we are next door to the water park.

The Area is Changing and is Expected to Change More

The area where Great Waves is located is directly between two major mixed use small area plans. On the other side of the train tracks is a very congested Duke Street. Along those tracks is a long stretch of Metro that could one day host a station to serve Duke Street (hey, it happened at Potomac Yard). There is great potential in this area, so locking the city into a 20 year lease, for 26 acres of valuable property, for free, is not a responsible or wise move for the city.

A 20 Year Lease = 5 Years of Water Slides + 8 Years of Mini Golf + 12 years of Vacant Space

Great Waves is fun, but can only be open for a maximum five months of the year (40% of the time). The waterslides are only available for three months (25% of the time).

That means over the length of the lease, the city would be giving away property for 20 years and receiving a maximum eight years of benefit. (Since mini-golf and waterpark overlap for three months.)

That is eight years of mini golf if you play every chance you get. It is only five years of water slides. The property will sit completely unusable for 12 years of the 20 year lease.

The discussed improvement is another water slide. So again, only 3 months of benefit annually and only 5 years out of 20 over the length of the lease for this new attraction.

The Area Could Support Both Eisenhower East and the West End

If turned into a year round facility, the park could be a draw for both the Eisenhower East and West End Small Area plans. It could help make both successful.

If the park were made an indoor facility in any capacity, the city would receive a benefit from it year round. An aquatic center, a gym, an ice skating park, jogging trails, a dog park or a meeting hall would all be a better use of the property. This recreation space will be needed when another 1000 residential units are added to Eisenhower East over the next 5-10 years. When the West End is also growing, it will be crucial to both.

If Not Incentivized to Improve, Great Waves Will Underperform

My wife visited the park last summer with a child she was baby-sitting and while she think the water slides were fun, the bathrooms had become very poorly maintained.

Parking continues to be an issue and TCP residents see a great deal of discarded trash from visitors each summer.

The path around Lake Cook could easily be a prime jogging trail, but they lead to dead ends and are not maintained.

Over the past year, the parking lot for Lake Cook, also maintained by NVRPA, had become an illegal dumping ground for old items. An old couch and bathtub had been there for roughly a year before a TCP resident called to have them removed.

To their credit, NVRPA did this a few days later, but it speaks to the fact that people and organizations respond to incentives. Without any reason to modernize the property, we can expect more

Why Do We Need to Buy Immediately?

Since the Prince Street house has been there for 244 years, it can probably wait another couple of months for the public to weigh in.

Coupling the water park decisions with the Prince Street house is already a stretch. Tying them to the same timeline without public comment is worse.

If considered separately, outcomes for the house can be adjusted within the next year.

If not considered, Alexandria will be locked into a declining status quo with the water park for 20 years.
