- Request Description:
Bob Gronenberg for Traffic and Parking Board

Members of the Parkfairfax Transportation and Land Use Committee, highly recommend its chair, Bob Gronenberg, for membership on the City's Traffic and Parking Board. The vote will occur at Tuesday night's City Council Meeting (June 14).

Long-time resident Bob Gronenberg fully understands Alexandria's traffic and parking issues. He would well represent its citizens' interests. City representatives and our committee members, as well as others, have been very impressed with his insights, good judgment, and knowledge of the City traffic flow as well as parking rules and issues. Most importantly, his efforts to date have focused on seeking traffic flow improvements and better communications (incl. signage) for residents and visitors alike.

Even more exciting, as an extensive traveler, he is well versed in traffic and parking innovations throughout the U.S. and Europe and has long sought to apply some of them here, to help the City become a local leader in superb traffic management.

Bob is a recent federal civilian retiree from the US Navy. He has over 40 years of program management experience where he says he "overcame many bureaucratic challenges."

The City would be very fortunate to have someone of his intelligence, knowledge, experience, foresight and interest in new innovations on the Parking and Traffic Board. Even more, he has a great sense of humor!

Attached is a power point presentation of Bob's "sign survey" which he presented to Parkfairfax and City representatives a few months ago.

Thank you for your consideration,

Robin Woods, Parkfairfax, 1620 Mt. Eagle Pl., Alexandria, VA 22302
Kay Quirk, 1731 Preston Rd., Alexandria, VA 22302
