### Request Details:

- Name: Lee Dunn
- Approximate Address: No Address Specified
- Phone Number: No Phone
- Email: [lcarosi@yahoo.com](mailto:lcarosi@yahoo.com)
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Cameron Run Regional Park is one of the largest park spaces in the city with over 25 acres of space. A unique space that could be an amazing hub of year round recreation activities for youth and adults in the city. One that residents desperately need and deserve especially as we project a continued increase in participation in recreation activities like soccer. City council is proposing to extend the current lease with North Virginia Regional Park Authority (NVRPA) for twenty years which would eliminate possibilities for alternative uses or improvements to the very valuable space for two decades. They are doing so without considering any alternative uses that would come from a much needed and appropriate in depth planning process. Please do not do so.
- Expected Response Date: Wednesday, July 6
