- Request Description: Dear Mayor and City Council,

As chair of the Alexandria Citizen Corps Council, I submit my recommendation on behalf of the council to adopt this update to the city's Emergency Operations Plan (EOP). Deputy Chief Smedley's update reflects an emphasis on engaging our community partners about emergency preparedness and response. As the result, civic and community engagement were added as a formal supporting element of the EOP. While a minor change, this civic and community empowerment feature is a critical element. Moreover, we can address a diversity of stakeholders through our civic and community partners knowing city's resources will be limited during a major emergency.

Respectfully Submitted,
Robert A. Rapanut
Chair, Alexandria Citizen Corps Council
