Subject: Adjustments to the minutes for tonight's meeting.

Dear Colleagues,

Two minor clarifications I just noticed for the minutes at tonight's meeting.

First, on page 2, there is a paragraph about the City/Schools meeting. In the last sentence of that paragraph when I mentioned the cost differential, I was referring to Patrick Henry and not Minnie Howard.

So the last sentence of that paragraph just needs to state:

Mayor Silberberg spoke about the vote on the options regarding Patrick Henry, and said one of the issues of that School Board vote was the cost differential and that there have now been further discussions about the amount of the cost differential.

Second, on page 9, "Emmanuel Church on the Hill" is mentioned by me under Oral Reports. It is actually called the Immanuel Church-on-the-Hill.

Thanks!

All my best,

Allison
