Subject: correction to December 17 minutes

Good morning—

There is an error in the December 17 public hearing minutes that you are to approve tomorrow evening:

For docket item #6, on page 16, **condition #3** should read as follows:

3. The hours of operation for indoor seating shall be 6:00 a.m. to 12:00 midnight, Monday - Saturday and ~~4:00 p.m.~~ 6:00 a.m. to 12:00 midnight on Sundays. Meals ordered before 12:00 midnight may be served, but no new patrons may be admitted and all patrons must leave by 1:00 a.m., daily.

When the motion is made tomorrow evening to approve the minutes, I would ask that you include this correction.

Thank you.

Jackie
