Introduction

The City of Alexandria’s first Strategic Plan took effect in 2004, and the community principles it included still resonate today. This plan was updated in 2006 and again in 2010 to reflect changes and “new realities” in the community.

The FY 2017 – FY 2022 Strategic Plan builds upon our past strategic plan’s foundation while updating it for the future. This was accomplished through a collaborative effort whereby the community was engaged through meetings and online forums guided by the City’s engagement approach *What’s Next Alexandria*. The result of this effort is a vision, measurable key indicators, and alignment with adopted plans and policies.

Alexandria's Vision

In 2022, Alexandria is a historic, inclusive city of kindness, with distinct, vibrant neighborhoods, a well-managed government, a safe community, flourishing arts, culture, and recreation, a strong economy, thriving children and youth, environmental sustainability, healthy residents of all ages, and multimodal transportation.

Making the Vision a Reality

Our City's vision contains 10 thematic areas, key indicators, and action items that the City is focused on achieving. To further understand and achieve our vision, each of these 10 themes is explained below. Although these themes are described separately, they are intertwined and impact one another.

Accompanying each theme are four sections:

1. The first section contains a paragraph that describes what the theme means to the community.
2. The second section is a set of indicators with targets that provide actionable goals the City is striving to influence and achieve. These indicators and targets help us track our progress, successes, and challenges. By making the indicators a primary part of the plan, the City is committing to tracking and reporting on the progress of the plan to the community throughout the life of the document.
3. The third section is a list of important deliverables for each theme.
4. The fourth section includes the City's plans, documents, and policies that support achieving each theme and related indicators.

Distinctive and Vibrant Neighborhoods

In 2022, Alexandria values its history, honors its diverse communities, and respects its distinct, vibrant and walkable neighborhoods. The city has a small-town feel and is committed to sustaining a high quality of life in its urban, suburban and commercial areas. Alexandria is committed to historic preservation. Alexandria has complementary and varied architecture and a beautifully built environment, and the City ensures that new development and infill are compatible with the character of Alexandria's neighborhoods, natural environment, and historic resources.

Key Indicators to Achieve by 2022:

- Maintain the percentage of residents satisfied with the city's historic preservation at or above 2016's 83%.
- Maintain the percentage of residents with a positive view of the overall quality of new development in Alexandria at or above 2016's 64%.
- Maintain the percentage of residents with a positive view of their neighborhood as a place to live at or above 2016's 83%.

Inclusive City

In 2022, Alexandria is a caring, kind, compassionate, fair, just and equitable city that supports an affordable and livable community for all. As an inclusive city, there is no place for intolerance in the community. Further, the city is committed to and values our diversity. Alexandria provides high-quality social services to eligible residents to reduce poverty and increase self-sufficiency. The city is welcoming to people in all stages of life and is known as an age-friendly community. The city has closed the broadband gap by ensuring quality access to all residents.

Key Indicators to Achieve by 2022:

- Reduce the percentage of low- and moderate-income households considered to be housing cost burdened from 2015's 67%.
- Increase the percentage of residents who do not perceive barriers to living in Alexandria based on age, gender, race, national origin, religion, disability, or sexual orientation from 2016's 80%.
- Reduce the percentage of residents living in poverty from 2014's 9.6%.
- Maintain the unemployment rate below the regional, state and federal unemployment rates.
- Reduce homelessness from 224 persons in 2016 to 173.

Action Items (through FY 2018):

- Support non-profits and ARHA to provide committed affordable housing
- Provide housing relocation support to Beauregard residents impacted by redevelopment
- Develop tools and strategies to create and maintain deeply subsidized committed affordable units
- Conduct Fair Housing Testing and Training
- Secure committed affordable housing through the development process
- Launch an equity and implicit bias initiative

Well-Managed Government

In 2022, Alexandria's government provides ethical, effective and efficient services that are responsive to the community and focused on improving quality of life. Major policy decisions are considered by City Council and are reflective of community engagement. City government is accountable, transparent, and backed by quality and responsive staff. Public facilities are maintained in a state of good repair so they can effectively support municipal operations and services.

Key Indicators to Achieve by 2022:

- Maintain that City government receives the highest bond ratings of AAA/Aaa by two rating agencies.
- Increase the percentage of residents who approve of the overall quality of City government services from 2016's 77%.
- Increase the percentage of residents who approve of the overall customer service provided by City government employees from 2016's 69%.
- Increase percentage of residents who approve of the value of services received for taxes paid in Alexandria from 2016's 52%.
- Increase the percentage of City-owned building square footage that is rated in Grade C/Average or better according to the Facility Condition Index (FCI) rating from 2016's 56%.

Action Items (through FY 2018):

- Expand the customer account and payment portal
- Seek financing opportunities for complex public infrastructure projects (e.g. PY Metro Station, Storm water Infrastructure)
- Successfully update the five-year financial planning model for FY 2018-2022
- Develop a City mobile application
- Establish a single point of contact for all non-emergency government services (such as a 311 number)
- Establish a new cable franchise agreement through an open process
- Implement Stormwater Utility
- Begin implementation of the Sanitary Sewer Long Term Control Plan

Safe and Resilient Community

In 2022, Alexandria residents, workers, and visitors feel safe at all hours. If they require help, the response from well-trained staff is timely, courteous and professional. Preventable problems are avoided, and City government takes a regional view of planning for safety and emergency response and recovery. The community is resilient and prepared to handle emergencies and emerging risks, including providing support to residents with special needs during emergencies. Buildings in Alexandria are up to code to ensure they are structurally sound and safe.

Key Indicators to Achieve by 2022:

- Reduce the number of violent crimes from the 2015 rate of 209 incidents per 100,000 residents.
- Reduce the response time for 90% of medical incidents from 6:52 (six minutes and fifty-two seconds) in 2016 to 6:30 (six minutes and thirty seconds).
- Reduce the response time for 90% of fire incidents from 6:57 (six minutes and fifty-seven seconds) in 2016 to 6:30 (six minutes and thirty seconds).
- Increase the percentage of residents who have a positive overall feeling of safety in Alexandria from 2016's 80%.
- Increase the City's Building Insurance Services Office rating from 82 out of 100 in 2016 to 85 out of 100.

Action Items (through FY 2018):

- Partner with Northern Virginia Family Services to double the amount of gang intervention prevention services to children deemed at risk of gang involvement
- Develop a response team by June, 2017 to enhance the City response to youth who run-away from home and to victims of human trafficking

Flourishing Arts, Culture and Recreation

In 2022, Alexandria has a network of accessible parks and public open spaces that define neighborhoods and provide connections to local and regional open space systems and trails. Alexandria's parks will be a combination of active and passive open spaces and are intended to integrate historical interpretive elements and public art. The design of these spaces will create and enhance active public gathering places for neighborhood performances, concerts, and cultural activities. Arts, culture and recreation activities are available and accessible to residents of all ages and to those with disabilities.

Key Indicators to Achieve by 2022:

- Maintain the percentage of residents satisfied with opportunities to attend arts, culture, and music activities at or above 2016's 74%.
- Maintain the 2015 rate of 7.3 acres of open space per 1,000 residents.
- Increase the percentage of Alexandria households participating in recreation programs from 2016's 52%.

Action Items (through FY 2018):
