

VISION ZERO

Docket Item #16-5940

What is Vision Zero?

A multi-national traffic safety project that aims to achieve a transportation system with no deaths or serious injuries.

- Multidisciplinary approach to rethinking traffic safety
- Recognize traffic deaths and serious injuries are preventable -- not accidents
- Sets aggressive timeline to eliminate both
- Strategic and measurable goals
- Data-driven

Crash Data

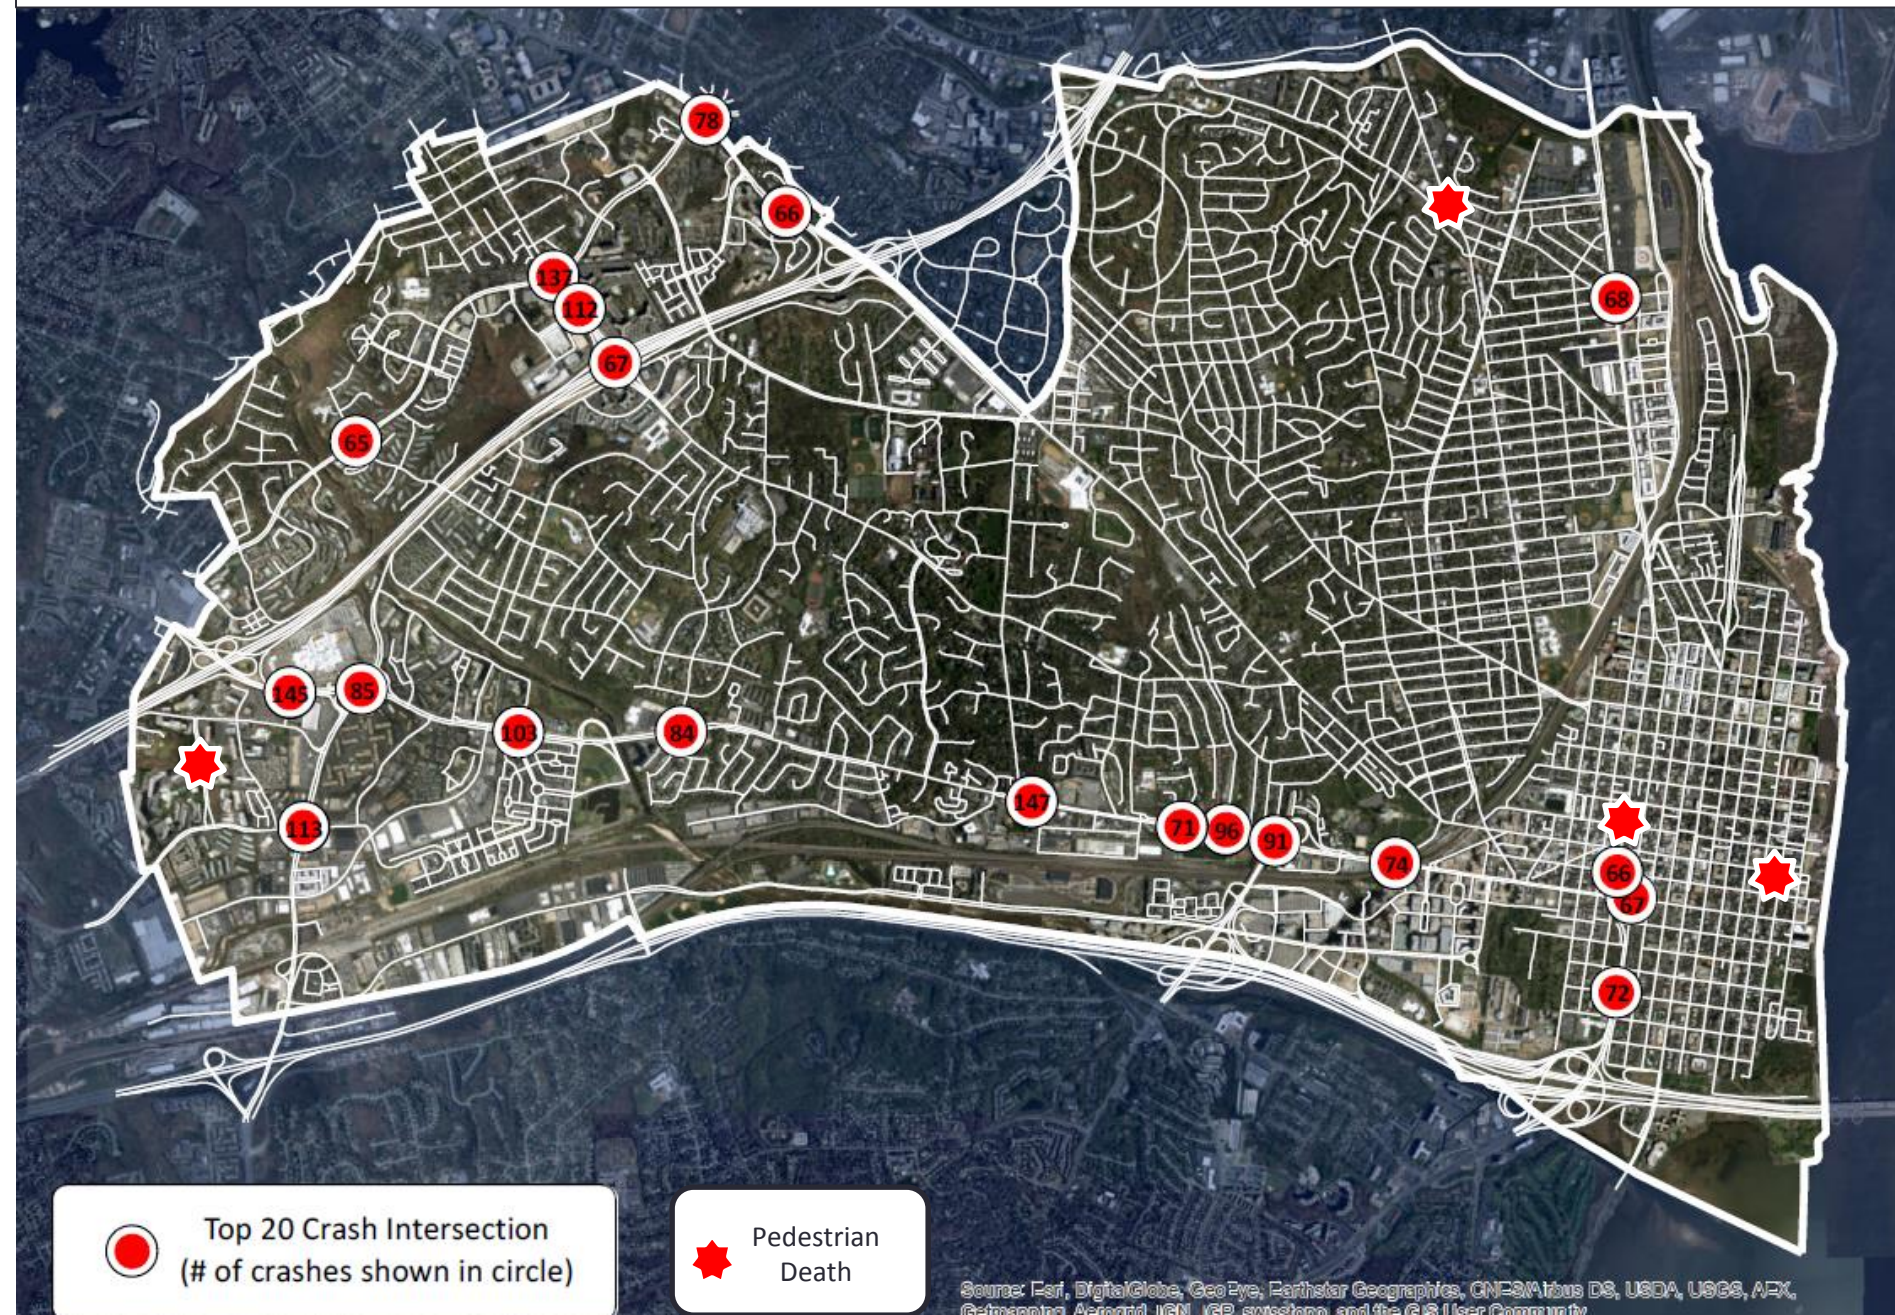

Calendar Year	Traffic Crashes	Ped Crashes	Traffic Deaths	Ped Deaths
2012	1,713	78	0	2*
2013	1,578	77	1	2
2014	1,580	65	1	0
2015	1,488	73	1	1
2016	1,162	67**	0	4*

* Drivers charged

** Through Nov. 30

Top 20 Crash Intersections in Alexandria, 2010-2015

Pedestrian Deaths, 2016

How Does the City Currently Address Traffic Safety?

- **Engineering**
 - Complete Streets program
 - Capital Improvement Plan projects
 - Maintenance
- **Education**
 - Street Smart
- **Enforcement**
 - Motor Unit (approved for 11 officers and 2 sergeants)

How will Vision Zero Advance Traffic Safety in Alexandria?

- Promotes safety as the primary goal for our transportation network
- Complements and builds upon existing City programs and initiatives
- Data-driven approach enables City to focus finite resources on problematic locations and behaviors

Vision Zero Policy

- Adopt goal of **zero traffic deaths and serious injuries by 2028**
- Engage the community in the development of a Vision Zero Action Plan
- Form an interdepartmental working group to develop an Action Plan that will:
 - Provide a comprehensive analysis of crashes
 - Outline the programs to reduce crashes
 - Identify associated funding needed
- Implement Action Plan strategies
- Provide an annual progress report on Action Plan implementation
