Mayor and Members of the City Council

Your vote to reappoint Kathleen Schloeder to the Alexandria Library Board is coming up soon. I want to urge you to reappoint her to that position.

She has served with distinction as our chairperson and it is critical that she continue in that role. She is extremely knowledgeable about the library and has been an effective advocate for the library over time. The library is a complex operation with many programs. It is a long learning process to become conversant with its many facets. Kathleen has been totally immersed in the operations library for a number of years now and brings unique experience to the job.

As the library faces funding challenges over the next few years it is vital that we have a strong advocate for the library on the board and one who knows and appreciates the essential role the library plays in our community. Kathleen has demonstrated those qualities. The board members have been impressed with her leadership as our chairperson and believe it is vital that she be reappointed to the Board and continue in that leadership position.

Vice Chairman
Alexandria Library Board

I am writing in support of the reappointment of Kathleen Schloeder to her position on the Alexandria Library Board. Kathleen and I have worked together on various projects in support of the Alexandria Public Library, most notably as part of a fundraising team to meet the challenge grant from the City Council last year. I know her to be dedicated to the future and health of the public library system in Alexandria and to the working actions which make a vibrant library program possible. She has attended budget meetings, five year planning meetings and marketing meetings with an enthusiasm important to insuring the future of this essential community resource. I am impressed with her dedication and would like to see that dedication continue for another term.

Sincerely,

Anne Caputo

- Request Description: I am one of the applicants for the Library Board. Four individuals wrote letters for me and sent them to members of the City Council. However, only one of them, Patricia Evans, is named on the docket. Why are not the other three (Eldon Boes, Virginia Martin, and Kate Mackenzie) not identified? If there was some procedure they were supposed to follow for this to happen, we were not aware of it.

Thank you,
Trudi Hahn
