**Special Use Permit #2017-0012**  
**2000 Eisenhower Avenue**

## I. DISCUSSION

The applicant, Faizah Siddiqui, requests Special Use Permit approval for an amusement enterprise at 2000 Eisenhower Avenue. The proposed use is a children's entertainment and birthday party venue.

### SITE DESCRIPTION

The subject site is one lot of record with 1,200 feet of frontage on Eisenhower Avenue, 825 feet of frontage on Hooff's Run Drive, and a total lot area of 578,987 square feet (13.3 acres). Two buildings occupy the site, one of which is a one-story industrial building housing a health/athletic club, a printing business and a government warehouse. The second building, in which the amusement enterprise is proposed, is known as Carlyle Corner, a one- to two-story mixed-use building with office and retail spaces as well as vacant former warehouse space.

The building houses four restaurants, a convenience store, and office space formerly occupied by the Alexandria Police Department. The retail portion of this building is known as "The Shops at Eisenhower East."

The surrounding area is occupied by a mix of office, residential, and civic uses. The United States Patent and Trademark Office is located to the north across Eisenhower Avenue. A recently completed residential high-rise building with parkland at Block 19, which is part of the Eisenhower East development, is located to the west. City-owned parkland is located directly to the south, with the Alexandria Public Safety Center and multi-family residences located further to the south. Multi-family residences are also located to the southeast across Hooff's Run Drive in Block 27 of Eisenhower East. Block P of Carlyle, which is slated for office development, is located directly to the east.

### BACKGROUND

General redevelopment of the site has been approved as part of the Hoffman Stage I DSUP for Blocks 24 and 25A in Eisenhower East. In 1998, City Council approved Special Use Permit #97-0163 for a coordinated sign program for all businesses at the site and that SUP remains in effect. In May 2007, City staff approved Plot Plan #2007-0004 for renovations to a portion of the building including the proposed amusement enterprise space, which had formerly been used as a warehouse. A Rite Aid Pharmacy was expected to occupy this tenant space at 2000 Eisenhower Avenue following approval for fit-out in 2006 (BLD2006-02655); however, Rite Aid subsequently withdrew interest and the project never materialized. A third-party retail & real estate research consultant group prepared a Retail Assessment and Retail Development Recommendations study for Eisenhower East in 2009 for the City and Carlyle Plaza LLC. The study suggested that the nature of this former warehouse is not well designed for retail use and

should be devoted to another purpose. The tenant space at 2000 Eisenhower Avenue has been vacant since renovations to the building were completed about nine years ago.

### PROPOSAL

The applicant proposes to occupy this vacant former warehouse space and operate a children's entertainment and birthday party venue with inflatable amusement equipment, games, merchandise, food and services. All entertainment items will be located in 3 distinct indoor play areas. Approximately 60 patrons are expected during business hours Monday through Friday and 110 patrons rotating in and out every 2 hours during business hours on Saturday and Sunday. Based on the type of event a customer attends, the patron will either exit the facility after the scheduled play time or be escorted to one of 3 party rooms where they can enjoy food and/or beverages. All prepared food is delivered from outside by approved vendors that meet the quality standards of the business. Prepared food will be delivered shortly before the event begins to ensure freshness. Additional elements of the applicant's proposal are as follows:

<u>Hours of Operation:</u>	9 a.m. – 8 p.m. Monday – Friday 9 a.m. – 10 p.m. Saturday & Sunday
<u>Number of Attendees:</u>	Up to 110 patrons at any one time
<u>Number of Employees:</u>	Up to 14 employees at any one time
<u>Food Service:</u>	No food is prepared on-site. All prepared food will be delivered from approved outside vendors.
<u>Alcohol:</u>	No alcohol will be allowed on the premises.
<u>Live Entertainment:</u>	No live entertainment will be offered (aside from kiddie amusement rides).
<u>Noise:</u>	Low noise levels are expected.
<u>Trash/Litter:</u>	Food waste, wrappers, office papers, cardboard boxes and other trash will be stored in on-site dumpster and collected no less than twice each week or as contracted by property owner.
<u>Security:</u>	The facility will be fully covered by security cameras that will maintain recorded footage. Extensive training is also provided to staff to help employees deal with safety issues and concerns.

### ZONING/MASTER PLAN DESIGNATION

The proposed use is located in the CDD#11/Coordinated Development District. Sections 5-602 of the Zoning Ordinance allow an amusement enterprise in this location only with a Special Use Permit.

Although the Eisenhower East Small Area Plan chapter of the Master Plan envisions redevelopment of this site, the proposed use is consistent with the Small Area Plan, which designates the property for a mix of uses including office, residential and retail along with active and passive recreation opportunities.

### PARKING

According to Section 8-200(A)(13) of the Zoning Ordinance, an amusement enterprise use requires one off-street parking space for every 200 square feet of space. An amusement enterprise business with 9,430 square feet of space is therefore required to provide 48 off-street parking spaces. The applicant satisfies this requirement given that 929 parking spaces are provided for use by the office and retail tenants, which exceeds the minimum parking requirements for all uses. The majority of parking spaces intended for the amusement enterprise are located in the surface parking lot in front of the building near the corner of Eisenhower Avenue and Hoof's Run Drive. Additional parking is located to the rear of the property.

The applicant has expressed awareness that there may be a high volume of cars parked on weekends during birthday party events. Though the applicant meets the required one space per 200 square feet of floor space, the applicant feels that more cars than expected may be parked on-site at peak times. The existing surface parking lot, however, provides an excess of the required amount of spaces for the existing office, restaurant, health club, salon, printing, and convenience store uses and therefore would not be negatively impacted by the amusement enterprise parking at peak times. A three-level above-grade parking garage with 300 spaces is also located on the west portion of the site and provides monthly parking for the office users.

## **II. STAFF ANALYSIS**

Staff does not object to the applicant's request to operate an amusement enterprise in this location. The proposal makes appropriate use of this long-vacant former warehouse site, but it does not create substantial changes to the site that would preclude future comprehensive redevelopment, which may occur as envisioned in the Eisenhower East Small Area Plan. It appears to be a reasonable use and is part of a larger shopping center with sufficient parking and no immediately adjacent residential neighbors. It will offer an entertainment option for area and local residents with children and no negative impacts to the existing uses or surrounding community. It will also fill tenant space that has been vacant for approximately nine years.

Several additional conditions of approval have been included in this report regarding routine matters such as noise, odors, and litter pick-up. Condition #6 reiterates that signage shall be consistent with the approved coordinated sign plan. Staff has also proposed somewhat more flexible restrictions on the hours of operation in order to accommodate various types of activities and events and to provide consistency in hours of operation with other children's entertainment venues. Proposed Condition #2 would limit the hours to 8 am to 10 pm, although the applicant may choose to operate for shorter periods during the day.

Staff has informed several groups within the Carlyle area of the Special Use Permit request,

including the Carlyle Community Council, the Carlyle Square Condominium Association (Block L), and representatives from Carlyle Towers, and the Eisenhower Partnership. To date, no objections have been shared with staff.

In conclusion, staff believes that the proposal is reasonable and appropriate for this location. It recommends approval of the request subject to the conditions contained in Section III of this report.

### **III. RECOMMENDED CONDITIONS**

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following conditions:

1. The Special Use Permit shall be granted to the applicant only or to any corporation in which the applicant has a controlling interest. (P&Z)
2. The hours of operation shall be limited to between 8 a.m. and 10 p.m., daily. (P&Z)
3. The applicant shall post the hours of operation at the entrance of the business. (P&Z)
4. No alcohol consumption shall be permitted at the amusement enterprise. (P&Z)
5. No food shall be prepared at the amusement enterprise. (P&Z)
6. All signage at the site shall be consistent with the approved coordinated sign program (SUP#97-0163). (P&Z)
7. The applicant shall conduct employee training sessions on an ongoing basis, including as part of any employee orientation, to discuss all SUP provisions and requirements. (P&Z)
8. The Director of Planning and Zoning shall review the Special Use Permit after it has been operational for one year, and shall docket the matter for consideration by the Planning Commission and City Council if: (a) there have been documented violations of the permit conditions which were not corrected immediately, constitute repeat violations or which create a direct and immediate adverse zoning impact on the surrounding community; (b) the Director has received a request from any person to docket the permit for review as the result of a complaint that rises to the level of a violation of the permit conditions, or (c) the Director has determined that there are problems with the operation of the use and that new or revised conditions are needed. (P&Z)
9. The use must comply with the city's noise ordinance. All loudspeakers shall be prohibited from the exterior of the building, and no amplified sounds shall be audible at the property line. (T&ES)
10. Supply deliveries, loading, and unloading activities shall not occur between the hours of 11:00pm and 7:00am. (T&ES)

11. The applicant shall require its employees who drive to use off-street parking. (T&ES)
12. The applicant shall encourage its employees to use public transportation to travel to and from work. The business shall contact Go Alex at [goalex@alexandriava.gov](mailto:goalex@alexandriava.gov) for information on establishing an employee transportation benefits program. (T&ES)
13. The applicant shall provide information about alternative forms of transportation to access the site, including but not limited to printed and electronic business promotional material, posting on the business website, and other similar methods. Contact Go Alex at [goalex@alexandriava.gov](mailto:goalex@alexandriava.gov) for more information about available resources. (T&ES)
14. Litter on the site and on public rights-of-way and spaces adjacent to or within 75 feet of the premises shall be picked up at least twice a day and at the close of business, and more often if necessary, to prevent an unsightly or unsanitary accumulation, on each day that the business is open to the public. (T&ES)

STAFF: Alex Dambach; Division Chief – Land Use Services  
Stephanie Free, Urban Planner

---

Staff Note: In accordance with Section 11-506(C) of the Zoning Ordinance, construction or operation shall be commenced and diligently and substantially pursued within 18 months of the date of granting of a Special Use Permit by City Council or the Special Use Permit shall become void.

#### IV. CITY DEPARTMENT COMMENTS

Legend: C - code requirement R - recommendation S - suggestion F - finding

Transportation & Environmental Services:

F - 1 SWM has no comments.

F - 2 The applicant is strongly encouraged to apply noise and vibration reduction materials in the design of this use to minimize noise and vibrations. (OEQ)

R - 1 The use must comply with the city's noise ordinance. All loudspeakers shall be prohibited from the exterior of the building, and no amplified sounds shall be audible at the property line. (T&ES)

R - 2 Supply deliveries, loading, and unloading activities shall not occur between the hours of 11:00pm and 7:00am. (T&ES)

R - 3 The applicant shall require its employees who drive to use off-street parking. (T&ES)

R - 4 The applicant shall encourage its employees to use public transportation to travel to and from work. The business shall contact Go Alex at [goalex@alexandriava.gov](mailto:goalex@alexandriava.gov) for information on establishing an employee transportation benefits program. (T&ES)

R - 5 The applicant shall provide information about alternative forms of transportation to access the site, including but not limited to printed and electronic business promotional material, posting on the business website, and other similar methods. Contact Go Alex at [goalex@alexandriava.gov](mailto:goalex@alexandriava.gov) for more information about available resources. (T&ES)

R - 6 Litter on the site and on public rights-of-way and spaces adjacent to or within 75 feet of the premises shall be picked up at least twice a day and at the close of business, and more often if necessary, to prevent an unsightly or unsanitary accumulation, on each day that the business is open to the public. (T&ES)

C - 1 The applicant shall comply with the City of Alexandria's Noise Control Code, Title 11, Chapter 5, which sets the maximum permissible noise level as measured at the property line. (T&ES)

C - 2 The applicant shall comply with the City of Alexandria's Solid Waste Control, Title 5, Chapter 1, which sets forth the requirements for the recycling of materials (Sec. 5-1-99). In order to comply with this code requirement, the applicant shall provide a completed Recycling Implementation Plan (RIP) Form within 60 days of SUP approval. Contact the City's Recycling Program Coordinator at (703) 746-4410, or via e-mail at [commercialrecycling@alexandriava.gov](mailto:commercialrecycling@alexandriava.gov), for information about completing this form. (T&ES)

- C - 3 Section 5-1-42- Collection by Private collectors. (c) Time of collection. Solid waste shall be collected from all premises not serviced by the city at least once each week. No collections may be made between the hours of 11:00 p.m. and 7:00 a.m. (6:00 a.m. from May 1, through September 30) if the collection area is less than 500 feet from a residential area. (T&ES)

Code Enforcement:

- F - 1 The review by Code Administration is a pre-building permit review only. Once the applicant has filed for a building permit, code requirements will be based upon the building permit plans. If there are any questions, the applicant may contact Code Administration, at 703.746.4200
- C - 1 New construction must comply with the current – at the time of permit submission - edition of the Virginia Construction Code. A building permit, inspections and plan review are required for this project.
- C - 2 This building will need to apply for a change in use-group classification before operating the use described in the SUP application. Contact the permit center to apply for a change of use-group classification.

Health:

- C - 1 An Alexandria Health Department Permit is required for all regulated facilities. A permit shall be obtained prior to operation, and is not transferable between one individual, corporation or location to another. Permit application and fee are required.
- C - 2 Construction plans shall be submitted to the Health Department located at 4480 King Street and through the Multi-Agency Permit Center. Plans shall be submitted and approved by the Health Department prior to construction. There is a \$200.00 plan review fee payable to the City of Alexandria.
- C - 3 Construction plans shall comply with Alexandria City Code, Title 11, Chapter 2, The Food Safety Code of the City of Alexandria. Plans shall include a menu of food items to be offered for service at the facility and specification sheets for all equipment used in the facility, including the hot water heater.
- C - 4 A Food Protection Manager shall be on-duty during all operating hours.
- C - 5 The facility shall comply with the Virginia Indoor Clean Air Act and the Code of Alexandria, Title 11, Chapter 10, Smoking Prohibitions.
- C - 6 In many cases, original wooden floors, ceilings and wall structures in historical structures may not be suitable for food service facilities. Wood materials shall be finished in a manner that is smooth, durable, easily-cleanable, and non-absorbent.
- C - 7 Facilities engaging in the following processes may be required to submit a HACCP plan

and/or obtain a variance: Smoking as a form of food preservation; curing/drying food; using food additives to render food not potentially-hazardous; vacuum packaging, cook-chill, or sous-vide; operating a molluscan shellfish life-support system; sprouting seeds or beans; and fermenting foods.

Fire Department:

- C - 1 The proposed occupancy condition appears to be a change of use for the building. Suggest applicant meet with a design professional to determine what if any changes to the property would be required.
- C - 2 A fire prevention permit will be required for this use condition.
- C - 3 All playground equipment and padding material will require proof of flame spread and smoke development rating required for the use and occupancy condition.

Parks and Recreation:

No comments received.

Police Department:

No comments received.

If property owner or applicant is being represented by an authorized agent such as an attorney, realtor, or other person for which there is some form of compensation, does this agent or the business in which the agent is employed have a business license to operate in the City of Alexandria, Virginia?

☐ **Yes.** Provide proof of current City business license

☐ **No.** The agent shall obtain a business license prior to filing application, if required by the City Code.

### **NARRATIVE DESCRIPTION**

**3.** The applicant shall describe below the nature of the request **in detail** so that the Planning Commission and City Council can understand the nature of the operation and the use. The description should fully discuss the nature of the activity. (Attach additional sheets if necessary.)

Pump It Up is a franchised indoor children's entertainment and birthday party venue featuring branded inflatable bounce houses, games, merchandise, food and services within a playful, fun, safe, and clean environment. All equipment used within the facility is chosen from an approved list (hundreds of items are available in varying types and sizes) where everything is vetted and tested by Pump it Up corporate to ensure the highest level in safety standards.

All entertainment items will be located within our 3 distinct Play Arenas – prior to playing within the Play Arenas, all guests regardless of age will be required to check in at our front desk, sign a safety waiver and watch a safety video demonstrating appropriate usage of our equipment. Guests choosing not to sign the safety waiver will not be allowed to enter any of our 2 Play Arenas. All events at all times will be monitored by our rigorously trained staff – staff will strictly enforce all safety rules and regulations.

Based on the type of event a customer attends, they will either exit the facility after their scheduled play time or be escorted to one of our party rooms where they can enjoy food and beverages. While beverages maybe stored on site, all prepared food is delivered from outside approved vendors that meet our quality standards (we do not prepare food within out facility). Prepared food is delivered shortly before the event enters the party room to ensure freshness.

Applicant is the owner and successful operator of the Leesburg, VA Pump it Up location. Away from being the preferred party venue for the community, it has also become a staple for contributing and raising significant sums of money for local schools and charities. Applicant will bring this successful operating experience to Alexandria – it will serve as a safe and enjoyable destination for families, children and the community of Alexandria.

## USE CHARACTERISTICS

4. The proposed special use permit request is for (check one):

☒ a new use requiring a special use permit,  
☐ an expansion or change to an existing use without a special use permit,  
☐ an expansion or change to an existing use with a special use permit,  
☐ other. Please describe: \_\_\_\_\_

5. Please describe the capacity of the proposed use:

- A. How many patrons, clients, pupils and other such users do you expect?  
Specify time period (i.e., day, hour, or shift).

Monday - Friday: 30 patrons (9am-1pm) & 30 patrons (1pm-4pm)

Saturday & Sunday: 110 patrons rotating in and out every 2 hours from (9am - 8pm)

- B. How many employees, staff and other personnel do you expect?  
Specify time period (i.e., day, hour, or shift).

Monday - Friday: 3 staff (9am-1pm), 3 staff (1pm-4pm) & 2 staff (4pm-8pm)

Saturday & Sunday: 10-14 staff members rotating in and out from (9am - 10pm)

6. Please describe the proposed hours and days of operation of the proposed use:

Day:	Hours:
<u>Monday - Friday</u>	<u>9:00am - 8:00pm</u>
<u>Saturday &amp; Sunday</u>	<u>9:00am - 10:00pm</u>
_____	_____

7. Please describe any potential noise emanating from the proposed use.

- A. Describe the noise levels anticipated from all mechanical equipment and patrons.  
All activities will be held indoors and within the facility. Patron noise outside would be solely from entering and exiting their mode of transportation and into the facility. Mechanical noise would be solely driven from the HVAC unit.

- B. How will the noise be controlled?  
Loud patrons will be reminded by staff to be respectful to our neighboring businesses and HVAC equipment will meet all noise requirements as outlined by the City of Alexandria.

SUP # \_\_\_\_\_

8. Describe any potential odors emanating from the proposed use and plans to control them:

The only potential cause of odor emanating items from this business would be specific to appropriate trash disposal. As a result, we mandate that our trash be thrown out when any internal bin is full or no later than the close of business each day. Trash will always be disposed of in the exact bins designated to/for us.

9. Please provide information regarding trash and litter generated by the use.

- A. What type of trash and garbage will be generated by the use? (i.e. office paper, food wrappers)

Office paper, food wrappers, discarded food from events and cardboard boxes from deliveries.

- B. How much trash and garbage will be generated by the use? (i.e. # of bags or pounds per day or per week)

Monday - Friday: 4 equivalent bags of a 55 gallon trash bag

Saturday & Sunday: 15 equivalent bags of a 55 gallon trash bag

- C. How often will trash be collected?

Trash will be collected no less than 2x each week.

- D. How will you prevent littering on the property, streets and nearby properties?

All our events will be held in-doors - as a result, any trash or waste would either be created or disposed of inside our facility. In addition, staff will be trained to be good community citizens (just as we have in Leesburg) - they understand keeping the property clean and around is integral to our values.

10. Will any hazardous materials, as defined by the state or federal government, be handled, stored, or generated on the property?

[ ] Yes. ☒ No.

If yes, provide the name, monthly quantity, and specific disposal method below:

SUP # \_\_\_\_\_

11. Will any organic compounds, for example paint, ink, lacquer thinner, or cleaning or degreasing solvent, be handled, stored, or generated on the property?

☐ Yes. ☒ No.

If yes, provide the name, monthly quantity, and specific disposal method below:

---

---

---

12. What methods are proposed to ensure the safety of nearby residents, employees and patrons?

Being a children's focused business, safety is our foundation and at our core. The facility will be fully covered by security cameras that will maintain recorded footage to protect our clients and employees. In addition, we have extensive internal staff training to help deal with safety issues and concerns. Any instance that is deemed to be a safety concern is documented and if necessary, requisite law enforcement is immediately notified.

## ALCOHOL SALES

13.

- A. Will the proposed use include the sale of beer, wine, or mixed drinks?

☐ Yes ☒ No

If yes, describe existing (if applicable) and proposed alcohol sales below, including if the ABC license will include on-premises and/or off-premises sales.

---

---

---

---

SUP # \_\_\_\_\_

## PARKING AND ACCESS REQUIREMENTS

14. A. How many parking spaces of each type are provided for the proposed use:

48 Standard spaces  
           Compact spaces  
4 Handicapped accessible spaces.  
           Other.

Planning and Zoning Staff Only

Required number of spaces for use per Zoning Ordinance Section 8-200A \_\_\_\_\_

Does the application meet the requirement?

☐ Yes ☐ No

- B. Where is required parking located? (check one)

☒ on-site

☐ off-site

If the required parking will be located off-site, where will it be located?

PLEASE NOTE: Pursuant to Section 8-200 (C) of the Zoning Ordinance, commercial and industrial uses may provide off-site parking within 500 feet of the proposed use, provided that the off-site parking is located on land zoned for commercial or industrial uses. All other uses must provide parking on-site, except that off-street parking may be provided within 300 feet of the use with a special use permit.

- C. If a reduction in the required parking is requested, pursuant to Section 8-100 (A) (4) or (5) of the Zoning Ordinance, complete the PARKING REDUCTION SUPPLEMENTAL APPLICATION.

☐ Parking reduction requested; see attached supplemental form

15. Please provide information regarding loading and unloading facilities for the use:

- A. How many loading spaces are available for the use? 4

Planning and Zoning Staff Only

Required number of loading spaces for use per Zoning Ordinance Section 8-200 \_\_\_\_\_

Does the application meet the requirement?

☐ Yes ☐ No

SUP # \_\_\_\_\_

B. Where are off-street loading facilities located? \_\_\_\_\_

Please see attached

C. During what hours of the day do you expect loading/unloading operations to occur?

This business does not require any regular major loading or unloading . Items that would be classified as "regular" that come into the facility consist of items such as basic party supplies and can be brought through the front door in a small cart.

D. How frequently are loading/unloading operations expected to occur, per day or per week, as appropriate?

The regular parties supplies mentioned in C above would be expected to come 1x a week and would occur during off-peak business hours.

16. Is street access to the subject property adequate or are any street improvements, such as a new turning lane, necessary to minimize impacts on traffic flow?

Street access is currently adequate.

## SITE CHARACTERISTICS

17. Will the proposed uses be located in an existing building? ☒ Yes ☐ No

Do you propose to construct an addition to the building? ☐ Yes ☒ No

How large will the addition be? \_\_\_\_\_ square feet.

18. What will the total area occupied by the proposed use be?

9,430 sq. ft. (existing) + \_\_\_\_\_ sq. ft. (addition if any) = 9,430 sq. ft. (total)

19. The proposed use is located in: (check one)

☐ a stand alone building

☐ a house located in a residential zone

☐ a warehouse

☒ a shopping center. Please provide name of the center: Carlyle Corner

☐ an office building. Please provide name of the building: \_\_\_\_\_

☐ other. Please describe: \_\_\_\_\_

Re: Parking – Pump It Up – 2000 Eisenhower Avenue, Alexandria, VA 22314

To Whom It May Concern:

The purpose of this letter is to inform you that Carlyle Corner, located at 2000-2034 Eisenhower Avenue and 305-315 Hooff's Run Drive, has 929 parking spaces for the use of its office and retail tenants. Therefore, there is ample parking for the required 48 non-reserved retail spaces and 4 handicapped spaces for Pump It Up's use.

Please don't hesitate to call if you have any questions or comments on the foregoing.

Sincerely,

Stephen M. Schwendinger  
Vice President, Asset Management  
Carlyle Corner LLC
