- Request Description: I am writing to recommend and most strongly support the application of Eldon Boes to fill a position on the Environmental Policy Commission.
Eldon Boes is someone with whom I have worked closely in the past two years and very closely in the past year. The purpose of my attached letter is to convey what I have learned about Eldon Boes as a volunteer in Alexandria. My conclusions are summarized very briefly here with details/basis for these conclusions in the attached letter.
 - Eldon Boes is a consummate professional who is highly motivated and extremely dedicated; he tirelessly makes things happen.
 - Eldon is a leader; he treats everyone with respect and brings out the best in other people.From recent conversations with Eldon, it is clear that he strongly desires to shift his focus to Alexandria's Environmental Policy, and apply his professional knowledge and talents to that area. He has my strongest recommendation and I have the utmost confidence that he will serve as an impactful member of the Environmental Policy Transportation Commission if appointed.
Thanks so much,
Jim Durham, 703-508-0762 (mobile)
