Dear Board Members,

Re: Cummings-Wilson Residence, 130 Prince St

We wish to advise the Board that we have no objections to the variance for the 130 Prince St residence. Our 206 S Lee St home is adjacent to the south of the residence, and we are directly affected by the proposed changes. Mr. Wilson has provided us a copy of the architectural plans. We consider the changes attractive and see that, upon completion, will not affect our views in any way.

Sincerely,

Bob and Sabine Bisson
