- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Dear Mayor Silberberg, Vice Mayor Wilson and Members of City Council: This is Bob Eiffert writing as Chair of the Alexandria Commission on Aging (COA). At our regular COA meeting on September 14, the Commission voted to support the reappointment of Carter Flemming to the Alexandria Redevelopment and Housing Authority (ARHA) Board of Commissioners. Carter has been an outstanding advocate for older ARHA residents, especially at the Ladrey Highrise. She attends resident council meetings (usually the only Commissioner to do so), and advocates with the ARHA Board for their best interests, as well as all the older residents of other ARHA properties. At this time of tremendous transition for ARHA with a new Executive Director coming, we also think that the continuity and stability that Carter brings is very important for the whole Board. We ask you to join us in supporting Carter's reappointment. Thank you for your consideration.

**Subject:** ARHA Appointments

Good Morning All,

I am pleased to reach out to you on this beautiful Fall Friday morning to provide my endorsement of two candidates for appointment to the ARHA positions on the Board of Commissioners that will be addressed at your next meeting.

The candidates I endorse for appointment are Chris Ballard and Carter Flemming. As you all know, both Chris and Carter are incumbent members of our Board and this is one of many reasons that I endorse their re-appointment.

As a member of the ARHA Board for the past 4+ years and as Chairman for more than a year, I have observed the valuable contributions that both Chris and Carter have made during my tenure. As is the case with both of them, their contributions extend back well beyond my tenure on our Board and would be difficult to fully capture in a brief email. As we enter into a period of transition, including a new CEO, changing dynamics with HUD, and development activity, the continuity, historical knowledge, and perspective that Chris and Carter offer, individually and collectively, is extraordinarily important and valuable. They are important members of a Board that is pushing the performance of ARHA in a variety of ways. They are both driven by this

push and have demonstrated themselves to be dynamic thinkers who are open to change that supports the mission of providing quality affordable housing in our City and to our residents.

In the case of Carter, she commits herself to this cause in manners far beyond ARHA by participating on and engaging with other city groups, including both civic and faith-based group. Her commitment is one of passion, genuine interest, and time.

In the case of Chris, he is a former Chairman of ARHA who brings historical knowledge about our organization, a vast network of community connections, and expertise in the real estate space. He is also a member of our Development Committee. His perspective is extraordinarily valuable to the many initiatives we are actively addressing and he is committed to supporting our success, both internally and externally.

Should you have any questions or comments relative to the candidates I am endorsing or the "why" behind the endorsement, please do not hesitate to call ((703) 568-3980) or email me at any time. I appreciate any support that you will offer.

Thank you,  
Daniel
