

City of Alexandria, Virginia

MEMORANDUM

DATE: NOVEMBER 17, 2017

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: MARK B. JINKS, CITY MANAGER 

SUBJECT: PROPOSED ADDITIONS TO THE PROPOSED LEGISLATIVE PACKAGE
FOR THE 2018 GENERAL ASSEMBLY SESSION

Given the unexpected major composition change in the House of Delegates, Councilman Smedberg suggested (and the Mayor as the other half of the Legislative Committee agreed) that Council should consider potential additions to the City's Legislative Package since it is likely that the House (and maybe the Senate) will likely be more progressive in its considering of legislation in the 2018 session. I subsequently asked Councilmembers and our legislative delegation to provide ideas and suggestions on additions to the package.

Attached is the list of new proposed legislation requested by individual members of City Council to the previously Proposed Legislative Package. This revised list adds one more item on pedestrian safety requested by Vice Mayor Wilson which was inadvertently not included in the first list sent out to you earlier this afternoon.
