4001 Lawrence Avenue

VACATION POLICY

The City Council policy approved in 2004 established the following criteria for the evaluation of vacation requests:

1. There is no public use of the right-of-way at the time the application is filed.
2. No reasonable use of the right-of-way could exist in the future, either for its original purpose or for some other public purpose. Reasonable uses include, but is not limited to future roads, bike paths/trails, recreational facilities, open space, utilities or other environmental protection.
3. No portion of the public right-of-way shall become landlocked.
4. No abutting property owners shall become landlocked or have access substantially impaired.
5. The vacation shall provide a public benefit.
