Petition to Alexandria City Council

Don't Convert Montgomery Street to 2-way Traffic

Petition summary and background	The Old Town North Small Area Plan recommended that Montgomery Street be converted to two-way operation. At the City Council public hearing, numerous citizens and civic groups in Old Town North stated they did not want Montgomery Street to change from its current one-way operation, and City Council agreed. City staff is now planning to request developer contributions to make Montgomery Street two-way. City Council is planning to vote on a funding formula at its March 17, 2018 public hearing.
Action petitioned for	We, the undersigned, are concerned citizens who urge our leaders to act now to remove a proposal to fund a two-way Montgomery Street with developer contributions. Montgomery Street should remain a one-way street.
