Request Details:

This is a "private" request. Information should only be provided to the original customer.

- Name: Micheline Eyraud
- Approximate Address: No Address Specified
- Phone Number: No Phone
- Email: michye00@hotmail.com
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: I have read in todays Washington Post that the city council is going to vote on pay raises for future council members. The following comment is directed towards the individual mentioned in the article who wants more than what was recommended by the Pay Raise Task Force:

Virginia is an employment at-will state. In addition to the rights extended to businesses, the legislation also grants each individual employed within the state the right to resign at any time if they are unhappy with the terms of their employment. Since there is enough new people on the ballot to totally replace the City Council, there would be no impact if anyone on the council decided to leave for this or any other reason. To the contrary, it might be a good idea to get new people and new ideas on the Council.

- Expected Response Date: Sunday, May 13
