City TSP on Major Corridors	\$2,160,000
<b>TOTAL</b>	<b>\$14,160,000</b>

<b>Total Project Funding</b>	
City of Alexandria	\$74,500,000
DASH	\$14,160,000
<b>TOTAL</b>	<b>\$88,660,000</b>

# Project Considered But Not Proposed

- Potomac Yard South Station Entrance:
  - Current station is fully funded, expected to be complete by 2022
  - South Station Entrance is not eligible as a component of the existing project and cannot be submitted because it is not a standalone project in the City CIP
  - Will be eligible in the future (FY 2026 to FY 2027) with applications due in Summer 2020

# Next Steps – SMART SCALE

- Application Deadline: August 1, 2018
- Fall 2018: VDOT and DRPT Scoring
- January 2019: Projects and Scores sent to CTB and posted online
- Spring 2019: CTB Public Hearings on SYIP (including SMART SCALE)
- June 2019: CTB adopts SYIP (including SMART SCALE)

# Recommendation

- Approval of revised SMART SCALE applications
- Authorize the City Manager to execute all necessary documents related to each grant program
