PROJECT LOCATION MAP

## I. DISCUSSION

The applicant, Sophea Nuth, requests Special Use Permit approval for a Special Use Permit extension for a non-conforming hair salon, as Condition 8 requires.

### SITE DESCRIPTION

The subject property is one corner lot of record with approximately 20 feet of frontage along North Patrick Street, approximately 80 feet of frontage on Wythe Street, and a total lot area of approximately 1,600 square feet. The lot is developed with a two-story 1,716 square foot mixed use building. The first floor is occupied by a hair salon and the second floor is currently a rental apartment unit. Vehicular access to the two space parking lot at the rear of the property is from Wythe Street and the pedestrian entrance to the hair salon is on North Patrick Street.

The surrounding area is occupied by a mix of residential, civic and religious uses. Immediately to the north and the west of the subject property are two-story residences. To the south across Wythe Street is the Church of God and Saints of Christ Church and to the east across Patrick Street is the Charles Houston Recreation Center.

### SITE BACKGROUND

A hair salon or barber shop has operated from this location since 1939 until the present and a second-floor dwelling unit has been in existence since at least 1962.

In 1961, City Council granted Special Use Permit #0443 to operate a barber shop/hair salon at 700 North Patrick Street. On December 14, 1991, City Council approved Special Use Permit #2544 for the continuation of a non-conforming use. On September 16, 1995, City Council approved Special Use Permit #95-0090 for a change in ownership and expansion of hours for the existing non-conforming use. On March 18, 2006, City Council approved Special Use Permit #2005-0136 for a change in ownership of the existing non-conforming use. On March 15, 2008, City Council approved Special Use Permit #2007-0128 for the physical expansion, although not

a use intensification, of a non-conforming use and a one space parking reduction. Condition 8 of the SUP required City Council review 10 years from the date of approval.

On July 26, 2018, staff visited the subject property to determine if the business was in compliance with the conditions of Special Use Permit #2007-0128. Staff found no violations of the Special Use Permit and found that Conditions #6 and #7 have been satisfied. There are also no zoning code violations on record for the property.

#### ZONING ORDINANCE BACKGROUND

The City's 1951 Zoning Ordinance required that any non-conforming, commercial uses in residential zones be terminated after 40 years, giving business owners until 1991 to amortize their investment. In 1989, City Council amended the Zoning Ordinance to allow those commercial uses made non-conforming by the 1951 law to continue beyond 1991, with approval of a Special Use Permit, pursuant to Section 12-210(B)(4).

#### PROPOSAL

The applicant, owner of the building and business, seeks to renew the Special Use Permit for the hair salon located on the first floor of the building. She would continue the residential apartment use on the second floor of the building. No changes are proposed for the existing business operation and two parking spaces will continue to be provided on site.

There will be no change to the operation of the business as noted:

Hours: Monday – Saturday, 10:00 am – 8:00 pm

Noise and Order: No noise or odor impacts

Trash/Litter: Weekly trash collection, no littering impacts

#### PARKING

##### Commercial Parking Requirement

On January 20, 2018, City Council approved parking standards that reduced the amount of required parking spaces for certain commercial uses in the City, including hair salon, a personal service use, at 700 North Patrick Street. According to Zoning Ordinance Section 200(A)(16)(a)(i), a hair salon located in the City's enhanced transit area now requires a minimum of 0.25 off-street parking spaces for every 1,000 square feet. A hair salon with 858 square feet will therefore be required to provide a minimum of one off-street parking space, lowering the parking requirement for the personal service use. The applicant satisfies the on-site parking requirement.

##### Residential Parking Requirement

Since the second-floor residential use existed prior to 1963, Zoning Ordinance Section 8-200(F)(1) waives the residential parking requirement.

ZONING/MASTER PLAN DESIGNATION

The subject property is located in the RB Townhouse zone. Although Section 3-700 excludes personal service operations (a hair salon) in the RB zone, the use of the property as a barber/hair salon constitutes a non-conforming use in the RB zone.

Section 12-210 states that nonconforming uses in a residentially-zoned building may operate with Special Use Permit approval subject to Section 11-500 and pursuant to the criteria in Section 12-210(B)(2) and (3). Section 11-500 outlines Special Use Permit procedures and considerations of the review, namely, a determination that the proposed use would not adversely affect a neighborhood. Section 12-210(B)(2) states that the proposed use may not increase in size or intensity. Section 12-210(B)(3)(a-c) enumerates the criteria upon which the use shall be evaluated: “(t)he degree to which the commercial use serves the nearby neighborhood; (t)he degree to which the commercial use is compatible with existing uses in the nearby neighborhood; and (t)he degree to which the commercial use enhances the nearby neighborhood.”

This project is located within the locally regulated Parker-Gray District. Exterior alterations visible from a public way require review and approval by the Parker Gray Board of Architectural Review. While no exterior alterations are proposed as part of this SUP application, any exterior alterations, including signage, lighting, menu boards, and exterior vents require BAR approval, most of which can be administratively approved by staff.

The property is also located in the Braddock Road Metro Station Small Area Plan, which designates the property for residential use. The site is also located in the Braddock Metro Neighborhood Plan and the Braddock East Master Plan sections of the small area plan. The continuation of a salon at this location serves the objectives of both the Braddock Metro Neighborhood Plan and the Braddock East Master Plan to continue providing neighborhood serving retail.

**II. STAFF ANALYSIS**

Staff supports the applicant’s request to continue operation of a hair salon at 700 North Patrick Street. Although the personal service establishment is nonconforming, a barber shop/hair salon has continuously operated in this location and has coexisted with adjacent residential uses for over 70 years. Further, City records do not include negative comments related to the hair salon operation. The mix of uses in the general neighborhood has remained consistent over time as predominately residential uses have been interspersed with both office and commercial uses. Staff finds that the proposed use complies with the criteria of Sections 11-500 and 12-210 of the Zoning Ordinance as analyzed:

Section 11-504

The continued operation of the hair salon at this location would not adversely affect neighborhood residents as the personal service use would operate in one small building area and would result in minimal, if any, noise, odor, litter, traffic, or safety impacts. The property is subject to the City’s noise ordinance (Condition #19) and the applicant is required to pick up litter on or within 75 feet of the premises at least twice a day and at the close of business to prevent unsightly or unsanitary accumulation per Condition #10.

Section 12-210(B)(2)

Although City Council approved SUP #2007-0128 for a relatively small addition that slightly increased the size, but not the and intensity of the hair salon in 2008, the applicant is not proposing to increase the size or intensity of the personal service use with this application.

Sections 12-210(B)(3)(a)

The hair salon will continue to serve the nearby neighborhood as it provides a commonly sought personal service in proximity to both residents and office workers. Neighbors may find it appealing and convenient to have this service within a short distance of their homes and workplaces.

Section 12-210(B)(3)(b)

Staff believes that the hair salon will continue to be compatible with the existing residential, office, office, and institutional uses in the immediate neighborhood as the hair salon, open between 10:00 a.m. and 8:00 p.m., is not expected to disturb residents, particularly during early morning and late evening hours. The hours of operation are regulated in Condition #2 of this report. Further, traffic and parking would not be impacted as the number of expected patrons is minimal. Patrons would likely arrive by foot, bike, or public transportation due to the proximity of residential areas, BikeShare stations, bus routes, and the Braddock Road Metro station. The applicant is required to encourage employee use of alternative means of transportation in Condition #17.

Section 12-210(B)(3)(c)

The continuation of the hair salon at 700 North Patrick Street would enhance the surrounding neighborhood and activate the corner of North Patrick Street and Wythe Street. The building, which has housed a barber shop/hair salon since 1939, is a memento of the corner stores and service businesses that were common throughout the residential neighborhoods of Old Town and Parker Gray. The continuance of this land use pattern is consistent with recent mixed-use redevelopment projects that feature low-impact commercial uses on ground floors and residential units on upper floors. Additionally, diversity of compatible neighborhood uses enhances the overall quality of life and residential experience.

Further Considerations

Several SUP conditions have been carried forward and others have been modified to reflect modern-day condition language. Conditions associated with the construction of the small addition have been deleted as the applicant has satisfied the requirements. Additionally, staff has deleted Condition 8, the 10-year SUP review condition, as the business is an established neighborhood serving use and has operated for several decades without resident complaints or Code violations.

CONCLUSION

Given the lack of negative impacts associated with a hair salon and its compatibility with the neighborhood, staff recommends approval of the Special Use Permit request, subject to the conditions contained in Section III of this report.

### III. RECOMMENDED CONDITIONS

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following conditions:

1. The Special Use Permit shall be granted to the applicant only or to any business or entity in which the applicant has a controlling interest. (P&Z) (SUP #2544)
