Endorsement of application for Alexandria Archaeological Commission Business Representative. Tuesday, Sept 11 Docket.

Dear Mayor Silberberg, Vice Mayor Wilson, and Members of Council.

I'd like to support the application of Dylan Colligan who seeks to join the AAC as a Representative from the Alexandria Business Community. As you may recall, Council recently created that position, and it's been one we have been trying to fill for some time. AAC believed strongly that our commission needs to work in cooperation with the local business community on a wide range of history and preservation initiatives. I, and other members of the commission, have had an opportunity to interact with Dylan on a number of occasions, we've explained what the commission does and the commitment it requires. I think he will make a valuable addition to the AAC and to the city's volunteer resources.

I look forward to working with Mr. Colligan, and to continuing to assist Council on archaeological, historic preservation, and historic interpretation matters.

Regards,

Elizabeth McCall, Chair Alexandria Archaeological Commission.
