I. DISCUSSION

The applicants, CPYR Shopping Center, LLC and APTA Centennial Properties, LLC, request approval for a rezoning and subdivision to allow for a land exchange between APTA and CPYR, the property owner of Potomac Yard Landbay F. The rezoning and subdivision will allow for the consolidation of ownership of the future segment of Wesmond Drive between Dogue Street and Potomac Avenue, and the publicly accessible plaza approved as part of the APTA development special use permit (DSUP).

The subdivision request is subject to approval by the Planning Commission and will be reviewed by City Council only upon appeal. Planning Commission will provide a recommendation concerning the rezoning request to City Council for approval.

SITE DESCRIPTION

The site includes two properties – 3050 Potomac Avenue and a portion of 3601 Jefferson Davis Highway. The 6,672 square-foot property at 3050 Potomac Avenue is part of the American Physical Therapy Association (APTA) property that is subject to a recent DSUP approval (DSUP#2017-0017) and is located to the north of Block A1 within Potomac Yard Landbay G. The property is also known as “Outlot A,” since it is a parcel that was originally reserved for the northernmost segment of Dogue Street as it intersects Potomac Avenue. With City plans to realign Wesmond Drive to intersect Potomac Avenue and terminate Dogue Street at Wesmond Drive (as part of the North Potomac Yard Small Area Plan), Outlot A was conveyed from JBG Smith, the master developer of Potomac Yard to APTA to use as part of a publicly accessible plaza north of the future office building. 3050 Potomac Avenue is zoned CDD#10, which covers Potomac Yard.

The property located on a portion of 3601 Jefferson Davis Highway is located in the southeastern portion of the North Potomac Yard Small Area Plan, and the current Potomac Yard Shopping Center. The 1,184 square-foot portion of the property to be subdivided currently serves as a portion of a rear exit driveway from the shopping center adjacent to the Target store that is at the southern end of the shopping Center. The property is zoned CDD#19, which is coterminous with Landbay F of Potomac Yard and the North Potomac Yard Small Area Plan boundary.

BACKGROUND

The realignment of Wesmond Drive eastward to the intersection of Potomac Avenue was recommended in the North Potomac Yard Small Area Plan (approved in 2010, updated in 2017), and was added to the amended conditions of the Landbay G DSUP approval, through the approval of the DSUP for APTA. This alignment of Wesmond Drive will ultimately serve as the border between Landbay G and Landbay F (North Potomac Yard) from Potomac Avenue to Route 1 and will be fully constructed when Blocks A, D, and G of Landbay G are developed, and/or the North Potomac Yard Shopping Center redevelops. JBG Smith has committed to construct the Wesmond Drive segment from Potomac Avenue to Dogue Street as part of the revised Potomac Yard Landbay G Infrastructure Plan and will coordinate with APTA on the improvements. As part of an interim condition pending Landbay F redevelopment, improvements inside the southern curb of Wesmond Drive (sidewalk, utilities and amenities) are to be constructed, and the Wesmond

3050 Potomac Avenue and a portion of 3601 Jefferson Davis Highway Drive roadway will extend between Dogue Street and Potomac Avenue under a public access easement until such time that the entirety of Wesmond Drive is completed and dedicated to the City. As shown in the preliminary plat submitted with this proposal, CPYR has committed to providing a public access easement over Wesmond Drive to allow for its use as a private street for public traffic in the interim.

Figure 1: Road framework plan from the North Potomac Yard Small Area Plan where Wesmond Drive continues eastward from Route 1 to Potomac Avenue.

The land where the realigned Wesmond Drive is proposed and a triangular portion of Outlot A, or the northern tip of the APTA plaza, are currently the property of CPYR, the owner of the Potomac Yard Shopping Center. As such, CPYR provided a letter of consent with the APTA DSUP application that allows for JBG Smith to construct the Wesmond Drive segment per the amended Landbay G Infrastructure Plan and for APTA to construct the plaza improvements on this land.

PROPOSAL

The applicants propose the subdivision of 3050 Potomac Avenue and a portion of 3601 Jefferson Davis Highway, and a rezoning 1,205 square-foot subdivided portion of 3050 Potomac Avenue and the 1,184 square-foot subdivided portion of 3601 Jefferson Davis Highway. The subdivision and rezoning will help to facilitate a land swap between the applicants and the future dedication of the Wesmond Drive segment between Dogue Street and Potomac Avenue to the City from a single property owner.

3050 Potomac Avenue and a portion of 3601 Jefferson Davis Highway

Figure 2: The subdivision (top right) and rezoning (bottom left) will allow for consolidation of APTA site and future Wesmond Drive into Landbay F (bottom right)

SUBDIVISION

The subdivision request involves the deletion of the northern and western property line of 3050 Potomac Avenue (Outlot A), and the addition of a property line that generally intersects the aforementioned deleted property line from northeast to southwest, creating the new boundary line between Outlot A and Landbay F. The subdivision allows for the consolidation of the triangular parcel remnant to the north of Outlot A into the Outlot A parcel, and its incorporation into the plaza fronting the future APTA building. The subdivision also allows for the consolidation of the future right-of-way of Wesmond Drive between Dogue Street and Potomac Avenue into Landbay F, where it will have a public access easement until Landbay F redevelops and/or Wesmond Drive is constructed west to Route 1.

3050 Potomac Avenue and a portion of 3601 Jefferson Davis Highway

REZONING

The Landbay F (CDD#19) and Outlot A (CDD#10) properties are located in different zones, and the rezoning allows the subdivided parcels to be consolidated under the zoning of their new “parent” parcel. The triangular portion currently in Landbay F can be consolidated with Outlot A and the APTA site in the CDD#10 zone, while the subdivided portion currently part of Outlot A can be consolidated with the remainder of the Potomac Yard Shopping Center parcel under CDD#19. The Wesmond Drive segment between Dogue Street and Potomac Avenue (including sidewalks) will remain a private street with a public access easement (under CDD#19 zoning) until redevelopment to the north and west occurs.

ZONING/MASTER PLAN

The subject properties are located in CDD#10 and CDD#19, which permit a mix of uses. The realignment of Wesmond Drive implements the North Potomac Yard Small Area Plan, and the realignment and creation of a publicly accessible plaza is consistent with the goals of the North Potomac Yard and Potomac Yard / Potomac Greens Small Area Plan chapters of the Master Plan.

Figure 3: Future Wesmond Drive alignment on Landbay F

II. STAFF ANALYSIS

Staff supports the subdivision and rezoning requests, as they implement the North Potomac Yard Small Area Plan, Potomac Yard Landbay G Infrastructure Plan, and the DSUP#2017-0017 approval for the APTA site.

3050 Potomac Avenue and a portion of 3601 Jefferson Davis Highway. The rezoning and subdivision of the triangular portion of land currently part of the Potomac Yard Shopping Center / Landbay F allows for the consolidation of the APTA site as shown on the DSUP#2017-0017 site plan. This subdivided parcel remnant will be consolidated with Outlot A (3050 Potomac Avenue) and the primary APTA parcel (3030 Potomac Avenue) into one parcel prior to the release of the APTA final site plan and will allow for the full development and programming of the publicly accessible plaza fronting the APTA building. Once the subdivision and rezoning are approved, this portion of land will be acquired by APTA and will be subject to the conditions of approval for DSUP#2017-0017 (which is the most recent amendment to the Landbay G DSUP#2007-0022 approval).

The subdivided and rezoned portion of Outlot A will be acquired by CPYR and incorporated into Landbay F. This allows for the consolidation of the Wesmond Drive segment between Dogue Street and Potomac Avenue under a single owner and will facilitate the future dedication of the road segment to the City. The public access easement for the Wesmond Drive segment is shown in the preliminary plat submitted with the application and will be depicted in the final plat based on this approval.

The Applicant also proposes to rezone the approximately 1,205 square foot portion of Outlot A from CDD #10 to CDD #19.
2. **Resubdivide.** The Applicant proposes to resubdivide the property to create a clean parcel and CDD line that matches new Wesmond alignment.
3. **Wesmond Dedication and Easement.** CPYR will dedicate the land from face of curb to back of sidewalk on the southern side of interim Wesmond to the City and will also grant a public access easement for the remainder of the interim Wesmond connection to allow vehicles to traverse the interim Wesmond connection between Dogue Street and Potomac Avenue.
4. **Infrastructure Improvements.** Landbay G will install infrastructure plan improvements for Dogue Street and the southern curblineline of Wesmond Drive.
5. **APTA Streetscape and Easement.** APTA will be responsible for bonding and installing the plaza and streetscape improvements from the back of the southern curb as part of DSUP 2017-0017. APTA will also grant a public access easement for the plaza pursuant to DSUP 2017-0017.
