- Request Description: Good Morning,

Please note our support for the proposed SUP for Augie's Mussel House & Patio. This will be a fantastic addition to Old Town, and will bring new life to the block and this section of King Street.

The owners of the business are experienced restaurateurs, who understand the local market and will continue to be great neighbors. They understand what Old Town needs to continue to thrive, and this is a great example of an innovative use that should prove to be successful.

Cheers,

BB

Dear Member of City Council,

This letter is in reference to item #19, SUP 2018-0060 on this Saturday's City Council meeting, Eat Augie's LLC a restaurant located at 1106 and 1108 King Street.

While we welcome them as a neighbor in our neighborhood, we feel strongly that some neighborly compromise needs to be found on their requests in the SUP.

Specifically, we want to address the outdoor dining requests. To permit a restaurant (bar?) to extend their hours to 2:00 am with the availability to have outdoor games, televisions, and amplified (loudspeaker) live music will cause considerable disruption to our ability to enjoy our outside space and to sleep at night during the spring, summer and fall seasons. As residents of the 1100 block of Prince Street my garden is across a parking lot (open space) from the rear of Augies. There is no barrier to the noise this permission would create.

Staff also noted these concerns in their recommendations to the Planning Commission. Taken directly from their recommendation

*Nonetheless, staff acknowledges the noise impacts related to late night hours for outdoor dining, outdoor amplified live entertainment, televisions or loudspeakers due primarily to the proximity of residences and, therefore, does not support these aspects of the applicant's proposal.*

I request that City Council deny Augies items number 3, 11, 17 and 50 and accept the staff recommendations.

Sincerely

Ivy Whitlatch and John Ashford  
1117 Prince Street

RE: Special Use Permit # 2018 0060

Dear City Council:

We write to express our support for the special use permit for Augie's Mussel House and Patio.

As a business located nearby we believe this proposal will help improve the entertainment and dining options of this part of town. It will provide a welcome entertainment addition to our employees and guests and allow us to spend more time and dollars in Old Town. Moreover, it will increase the valuation of real estate in this part of the city. This proposal has our strong support.

Thank you for your consideration. Please do not hesitate to contact us with any questions.

Sincerely,

Craig Purser
