Dear Members of the Board of Architectural Review:

I am writing this letter in support of the proposed renovations at 405 South Fairfax Street in Old Town Alexandria. I unfortunately am unable to attend the hearing this Wednesday, but I would like to document my enthusiastic support of this renovation.

I am acquainted with the new owners of 405 South Fairfax, and also a close neighbor. It is so exciting to see new families come to this neighborhood to create a living space where their young families can grow and thrive, while at the same time respecting the history and aesthetics of Old Town.

I appreciate your consideration of this note.

Sincerely,

A handwritten signature in blue ink, appearing to read "Margaret", followed by a long horizontal flourish.
