Re: Endorsement of NVTa 70% Regional Revenues

Dear Mayor Wilson and Members of City Council:

At its June 19, 2019 meeting, the Transportation Commission voted to endorse the City's FY24-25 grant application in response to the Northern Virginia Transportation Authority's (NVTa) call for Regional Transportation Projects (NVTa 70% grants) for up to \$75 million to advance the Duke Street Transitway Phase I through design and construction.

We enthusiastically support the City seeking funding towards this priority project from the Transportation Master Plan that has regional benefits in terms of improving regional high capacity transit options and increasing person throughput on a highly congested corridor.

May you have any questions; do not hesitate to contact me.

Sincerely,

S.J. Klejst
Chair, Alexandria Transportation Commission
