Subject: RE: Tall ship

Great to catch up today Scott, thanks for the update. Site looks great.

Hi Clair – hope all is well.

We heard about and saw preliminary plans for the new Tall Ship Maritime Center on Waterfront Park and we are very supportive of the initiative. Activation and utilization of the city's most valuable assets has been a key priority, and this move would serve as an activation trigger for the Tall Ship, Waterfront, Park and the waterfront as a whole.

Thanks for keeping us in the loop!

Subject: letter of support

To whom it may concern,

My name is Bennett Moore, acting store manager of Big wheel bikes at 2 Prince street in Old town Alexandria. I have been manager of the business for over 20 plus years now and it is my pleasure to write this letter in support of the proposed tall ship Providence plan at nearby waterfront park.

I believe this project would be very beneficial to our small little bike shop of 33 years as well as the other local neighborhood retail and restaurant establishments.

We here at Big wheel bikes see value not only embracing them as new neighbors, but also in sharing with them in our community in the future.

Sincerely,
C. Bennett Moore, 3rd

Subject: Tall ships

Clair,

I was very excited to see the planned pier and associated facilities related to the tall ship Providence.

I look forward to seeing the Tall ship from my building 2/10 Prince street and from the roof deck located at 204 South Union Street. The Alexandria Waterfront continues to improve and uses, such as you are proposing, are exactly what is needed in my opinion. It will be nice to have another vantage point to see the river and learn something at the same time. Having repurposed several buildings along the waterfront I think the education of our community and visitors is a benefit.

Please let me know if I can be of any assistance as you move forward in this process.

Best,

Bobby Brandt

Subject: RE: Thank You & TSPF Hours

Clair,

Thank you for taking the time to meet with me and Woody today.

AMGA, located at 1 Prince Street bordering on Waterfront Park, supports the placement of Tall Ship Providence along with the cottages and pier, at the Waterfront Park location. We believe it will be an asset to Old Town Alexandria and a welcome addition to neighborhood.

Sincerely, Jerry Penso
President and CEO, AMGA
