INFORMATION ON PROPOSED ORDINANCE

Title

AN ORDINANCE to amend and reordain Subdivision J (MISCELLANEOUS PROVISIONS), Article B (SEWAGE DISPOSAL AND DRAINS), Chapter 6 (WATER & SEWER), of Title 5 (TRANSPORTATION & ENVIRONMENTAL SERVICES) of The Code of the City of Alexandria, Virginia, as amended.

Summary

The proposed ordinance amends the ordinance regulating storm and subsoil water disposal by updating the fee for submission from \$500 to \$1,000 for a grading plan. Grading plans are mostly used for new homes or large additions to single family homes. This adjustment brings our fees closer to those of our neighboring jurisdictions.
