For more than a decade, I volunteered at the Animal Welfare League of Alexandria. As the founder of Friends of Rabbits, a rabbit rescue organization, I raised money for the Vola Lawson Animal Center, and organized programs at the shelter, and helped arrange adoptions of rabbits.

Interests & Experiences

Statement of Interest/Why You Should Be Appointed

I am an avid gardener, with a particular interest in butterfly gardening. Several years ago, I contacted Mr. Oscar Mendoza with the idea of creating a Monarch Waystation in the city to help monarch butterflies on their fall migration to Mexico. With Mr. Mendoza's help and the blessing of the city and the Friends of Duncan Library, my friend Sue Tate and I designed and created a pollinator garden outside the Duncan library on Commonwealth Ave. The garden won a beautification award in 2015.

Statement of Interest/Why You Should Be Appointed

Thank you for considering my application. I am a resident of Alexandria's Southwest Quadrant and am missing my left arm below the elbow from a birth defect. Recently I have become more active in promoting awareness and empowerment for individuals with disabilities by promoting inclusion within the U.S. government and supporting affordable bionic limbs. As someone who is setting roots and building a family in Alexandria (I have a 2 year-old girl and a boy coming in January) I am eager to find an opportunity to serve my community. A few years ago I participated in the City Academy program and I think the Commission on Persons with Disabilities would be a great way to merge my experience advocating for people with disabilities while serving my community. I would be delighted to further discuss this opportunity. Qualifications: -2017 graduate of the Alexandria Citizens Academy -Member of the U.S. Trade and Development Agency's Diversity and Inclusion Committee -Volunteer with OpenBionics to promote affordable, 3D-printed bionic arms -2020 volunteer with Volunteer Alexandria

I am currently on the Board of Trustees of the Friendship Veterans Fire Engine Association (FVFEA) where I have served for four+ years. I would be their representative on the Committee. I have: helped FVFEA raise funds for the restoration of historic fire fighting equipment; helped organized and worked at the FVFEA annual street festival held in August; and co-chaired the FVFEA 2020 George Washington Birthday breakfast held annually. I think my managerial and fundraising skills honed during my 45+ year professional life as a Certified Fundraising Executive and Certified Association Executive would be a great asset to the Committee. I have organized numerous special events including inaugural galas and have raised millions for nonprofit organizations. My professional work experience included: Executive Director of the Goodwin House Foundation (11 years); Vice President of the American Society of Civil Engineers Foundation (12 years); and Director of Development for the National Academy of Engineering (8 years). I know Alexandria well as I have been a resident since 1992, and I currently am active on three Alexandria nonprofit boards.

Interests & Experiences

Statement of Interest/Why You Should Be Appointed

My name is Marie Deborah Smith and I moved to Old Town Alexandria in 2017 from Maryland because of its history, diversity, character and small town appeal. I currently work as a courtroom clerk for the DC Superior Court and I am submitting my application to become a citizen member of the Historic Restoration and Preservation Commission. I am very serious about wanting to serve my community and to give back in a productive way. I have always been interested in the important work of historical curation and I would love the chance to work up close and personal with the other members and professionals on this commission who have passionately chosen to work at saving the historic nature of Alexandria. I also decided to apply for this committee after reading several books on historic Alexandria and listening to the wonderful commentary in the film Discovering Alexandria which also gave me rich insight by local historian William Seale among others. I also have always been interested in historic interiors and the decorative arts and I believe this opportunity would allow me to really understand the preservation of historic homes here in the city and advocate for their upkeep and revitalization for future generations. Furthermore, I decided that I wanted to learn more about local history so I reached out to the local history/special collections librarian Leslie Anderson at the Kate Waller Barrett Branch Library and she suggested some amazing resources for me that I have read. I would really appreciate the chance to be given this opportunity to serve on this committee and to also learn from the current members and leaders who have made the preservation of historic Alexandria of utter importance to local and national history. Thank you so much for your consideration.

I served on the Parks and Recreation Commission from 2017-2019, during which time our commission worked actively with the City Council on important issues ranging from financial assistance for city park and rec programs, to Chinguapin pool upgrades, to the future of Cameron Run Regional Park. (Unfortunately, I had to vacate my commission seat when my family and I moved to a new city neighborhood that put me in a different planning district.) I've helped a number of citizens with community-focused policy ideas with their campaigns for City Council and participated actively in 2016/2017 in conversations around school rezoning to help ensure a focus on equal access to quality public schools.

Interests & Experiences

Statement of Interest/Why You Should Be Appointed

I would like to join the Social Services Advisory Board for the simple reason that during this time of COVID-19, which has brought extreme hardship for many of the most vulnerable members of our community, I think it's more important than ever that the City and its Department of Community and Human Services continue providing much needed services to those in need - and do so in an effective, efficient, and innovative way. I have a background in management and program design, including refugee assistance, that I think would directly relate to much of the Board's work. In addition, my wife and I have two small children and are very familiar with childcare challenges facing Alexandria residents.
