Re: Request for Special Exception for 100 W. Cedar Street, Alexandria, VA 22301
Case #BZA#202000026

I have reviewed the drawings for the planned new dormer on the west side of 100 W. Cedar street, which is the side facing my home, and I have no objections to the Board of Zoning Appeals granting the request for a Special Exception to construct the new dormer.

Please do not hesitate to contact me at rene_browne@yahoo.com if you have any questions.
